Our mission is to embrace the pursuit of excellence both inside and outside the classroom.

We encourage critical thinking and emphasize the learning process over rote memorization.

We are proud to have been named a 2014 National Blue Ribbon School and a 2016 Recognition School.

We use Top Rated Curriculum where our student learn reading with real books and a hands-on math curriculum. We use the State of DE science and social studies curriculum.

Our students participate in Music, Graphic Design/Art, Tech Science, world Cultures, and Physical Education every week and also learn real life skills in our Academy Print Shop where we make graphic designs and put them on shirts, coffee mugs, posters and much more!
