

## Identifying Needs of Underserved Students

Describe your LEA's highest priority academic, social, emotional, and/or mental health needs for the remainder of the 2020-2021 school year (if applicable) and for the 2021-2022 school year related to the impact of the COVID-19 pandemic on each of the following student groups.

To the extent possible, this description should include data on indicators such as estimates of the academic impact of lost instructional time, chronic absenteeism, student engagement, and social-emotional well-being.

### Table

Student group	Highest priority needs
Students from low-income families	
Students from each racial or ethnic background used by the State for reporting purposes – please add a row for each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race/ethnicity)	
Students by gender – please add a row for each gender (e.g., identifying disparities and focusing on underserved student groups by gender)
