August 2023

During the month of August we celebrated “Happy Non-profit Organization Day while collaborating with our local churches and partners. As you know, Texas in August is the epicenter of the trip-digit temperature; therefore we has to hydrate! hydrate! hydrate!

August 2023

We partnered with our local church (TCH) The Changer's House Arlington for their 1st Back to School event. We had over 30 loaded backpacks from 1st grade to Highschool.

We got a message from Courtney @ Clean Up Texas asking if we needed snack bags. #wegettoserve
