## ***Ah 100 Cities Ministries***

***Giving hope to the hopeless one plate at a time, one city at a time.***

The above slogan is true in every word and giving a warm meal to an individual is the heartbeat of the Baptiste Family.

About three years ago, this ministry started from a conversation between Alicia and Garfield. As Alicia tried to calculate how many meals were served that day to the homeless, their four-year-old daughter, Sarah shouted "Ah Hundred Cities!"

Suddenly the name was birthed, and the ministry started. Below are photos of some outreaches Ah Hundred Cities Ministries has organized.

## Thanksgiving Dinner Outreach

*An Afternoon of Giving Thanks!*

Come join Chef Alicia and Chef Nekeisha for a free Thanksgiving meal.

Thanksgiving is about family, food, and fellowship. During this past thanksgiving, Chef Alicia and Chef Nekeisha came together and served the community with their culinary skills. Over a hundred and fifty meals served, and many who didn't have a meal were able to participate in the scrumptious spread.

Below are some photos from the event.

## *From the Directors' Desk*

The last quarter of 2021 was one of the busiest of the year. We gave more and collaborated with other organizations to help the needy. Additionally, October was Pregnancy and Infant Loss Month, and in recognition, we hosted a series of online forums co-sponsored by Pastor Jason and Makesha Burnett. These forums were very uplifting, and we are planning for this to be an annual event. Thanks to everyone who has supported our ministry this year, and we look forward to much more for 2022.

Below is a list of the donations we gave in this quarter:

- Operation Christmas Child (the shoe box)
- Funky Town Fridge - this is a community refrigerator and pantry in Ft. Worth
- McIntosh Chapel (Harvest Fest)
- Guatemala Mission Trip - Blankets, Hand Sanitizers, and Mask
- Various Local Organization - Five Hundred Hygiene packages
- Wings International - Blankets, Hand Sanitizers
- 2400 cooked meals
- 1700 Snack Bags
- 2000 bottles of water
- 100 grocery bags - delivered to residents
- 135 blankets bags
