In this issue of the T.A.I. Kronicles, we will be highlighting some of our mission moments from January through March. Additionally, we will introduce Pastor Cynthia Dupont and the Kingdom work she is doing.

IN GRATEFUL APPRECIATION

Every quarter, T.A.I. highlights and gives recognition to another non-profit organization or ministry that has supported us in our missions. For this period, we want to recognize, thank, and appreciate the work, prayers, and support of Pastor Cynthia DuPont and Kingdom Ambassador Christian Center (KACC).

Pastor Cynthia DuPont is truly a kingdom connector, connecting people, resources, concepts, and giftings. She is anointed to connect people to their divine assignment. She has been investing in the development of leaders in the body of Christ for over 30 years. With a heart for believers to see themselves as God sees them, thus helping them understand their divine assignment.

Pastor Cynthia's unique blend of humor and thorough teaching of scripture has led to the development and discipling of believers across the US via conferences, itinerant ministering, fellowships, and bible studies. After graduating from Rhema Bible Training College in 1991, she has served in local church ministry as a Singles Pastor, Women's Pastor, Women's Ministry Director, and Associate Pastor in various ministries..

Feeling the pull to move into a more pronounced teaching role in 2017, Pastor Cynthia and her husband, Elder Brian DuPont, planted a new type of fellowship of believers. Kingdom Ambassador Christian Center, located in Carrollton, TX, is a different type of church with a different type of leadership style. A church built on the principle of believers being connected and equipped to answer the calling God has placed on their lives. KACC is a teaching church and sending center - equipping and releasing believers into their purpose.

Again in 2021, Pastor Cynthia answered the call to prepare, equip, and train the next generation of leaders and ministers when she launched KINGS Leadership Training Center. Pastor Cynthia is able to enthusiastically embrace her many roles in life as Pastor, Bible School President, Author, Mentor, wife, and mother because of her amazingly supportive husband, Brian DuPont, who is truly the wind beneath her wings.

In 2022, for our trip to Zambia, Africa, Pastor Cynthia organized an online share-a-thon. The funds raised were enough to support the assignments we set out to do. This woman of God has, on many other occasions, raised funds during the church's mission Sundays, not to mention the many calls with prayer and encouragement to T.A.I.

Pastor Dupont, we salute you! We thank you and appreciate you! Words are not enough to express our sincere gratitude. The leaders, board members, and all the recipients of your generosity thank you greatly.

*Thank
you!*
