Mission Trip - San Antonio

Earlier in this quarter, on July 10, 2021, TAI had the opportunity to serve the community of Leon Valley San Antonio with the Pastors and members of Bethel Covenant Assembly of God through the AVALANCHE OF LOVE COMMUNITY OUTREACH. Under the leadership of Dr. John and Chidinma Aniemeké, AVALANCH OF LOVE COMMUNITY OUTREACH is an annual event meeting the needs of the residents of Leon Valley and other communities in San Antonio. Although threatened by rain, the event was a great success. There were medical and dental screenings, free shopping, multiple cars, and TV giveaways, food, and lots of fun for the children. The photos below speak volumes of this year's event!

Third Quarter Outreach and Ministry Updates

The summer season is behind us, and it was one of our best summers to date. Our ministry is growing, and we are making a mark for Jesus both locally and abroad.

Some of our outreach focus and collaboration include a community back-to-school supply giveaway and fair - this was at World Healing International. Thanks to Pastor Stephen Adarkwah for providing the venue. A special thanks to Sandra Green Smith and Brittany's Backpack Ministry for spearheading the event and Tarrant Area Food Bank. Hundreds of families came out to the event and were blessed.

During this quarter, we also had the opportunity to support missions to Mexico and Guatemala. Additionally, we donated to the victims of the earthquake affecting Haiti, and we collaborated with the Emmanuel Wealthy Foundation, supplying 1000 bottles of water to the victims of the hurricane Ida in New Orleans. Lastly, we supplied detergent to the Wednesday Washday under the leadership of Rhonda Willingham and Making it Count Ministries.
