Compassion Covers

Ministry begins in the **Heart!**

"When Jesus looked on the multitudes of people with all their problems, sicknesses and confusion, He was moved with compassion for them..." Matthew 9:36

Caring Compassionate Hearts & Healing Hands, Inc (2C3HINC) is a non-profit ministry organization under the leadership of its founder and CEO, Patricia Rigsby-Scott. 2C3HINC started operations in 2009. According to the ministry: To be Active in Mission—using God-given abilities and gifts to evangelize, empower, and encourage people locally and globally. The ministry has supported and or has done outreaches to Haiti, Guatemala, and Kenya.

2C3HINC slogan is, Feel a Need...Fill a Need!

2C3HINC IN ACTION

Operation Cozumel

Known for its white sandy beaches, turquoise water, scuba diving, cruise ship port, luxury hotels, and friendly people, Cozumel is a tourist mecca. However, there is a side of this Mexican paradise you would not see on a brochure or an advertisement. The side where the residents need so much support.

With the help of a major cooperation here in the Dallas Ft Worth Area, TAI was able to assist in helping our neighbors across the border.

We supplied gentle use clothes, masks, toys, and raincoats. Below are some photos from the trip.

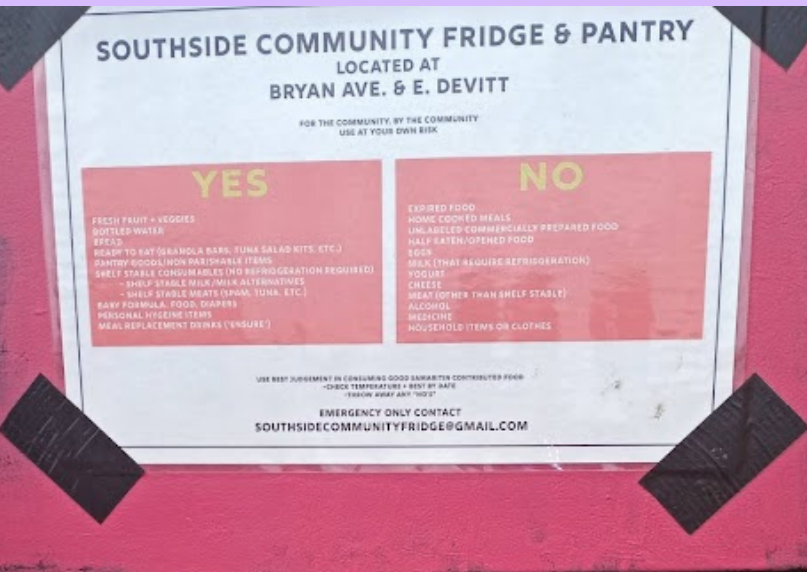

January - March 2022/ Vol V

With three locations in the DFW area, Funky Town Fridge serves the community with dried food, canned good, fresh fruits, water and juices. We have donated to the Ft. Worth location regularly. Please visit the [website](#) to learn more about the organization.

From the Directors' Desk

As the first quarter of 2022 comes to a close, there are not enough words to express our gratitude to our partners and friends. Every donation, prayer, kind words, and well wishes have been felt and received.

We are trusting God for an increase to meet more needs and touch more lives.

- We want to travel and support more organizations locally and abroad.
- The acquisition of commercial space, including a kitchen and warehouse, and office space
