Making it Count Inc

Founded in 2010 by Rhonda Willingham, Making it Count Inc.(M.I.C) seeks to provide supplemental necessities such as shelter, food, clothing, and personal hygiene items to individuals and families in Dallas during personally economically challenging times.

Over the last ten years, M.I.C and its core of volunteers have served over 10,000 meals, 8,500 hygiene packs, and 1,300 coats and blankets to individuals and families without permanent housing. Many of the meals served have been provided by donors, while the coats, blankets, and hygiene items were provided by private donations. For more information about Rhonda Willingham and Making it Count Inc, please see the photos below.

Second Quarter Ministry Missions

• World Healing International Church Community Outreach

For the second quarter of this year, T.A.I collaborated with World Healing International Church Arlington for its first Community Day Outreach. The event was on May 1, 2021. With the assistance of The Chris Howell Foundation and the Tarrant Area Food Bank, over 1400 boxes of food products, including milk, were distributed to our community friends and neighbors. We want to extend a special thanks to the following Ministry Partners, who helped to make the day a success. Garfield & Alicia Baptiste (Ah 100 Cities Ministries), Sandra Greene Smith (Brittany's Backpack Ministry), Rhonda Willingham (Making it Count Inc), Ms. Melissa Dent (Lunch Box of Love), Ms. Kimette Johnson (Aetna), Suzana Delgado-Gray (Grand Prairie YMCA), Larry Curry (Metro Fieldhouse Sports), Kristen Vincent (Home For The Children), Mary Allen, and Ms. Althea Duncan for the medical services. A big thank you to you all!

- **Saint Vincent and the Grenadines Volcano Relief Drive**

On April 12, 2021, we appealed for assistance for funds to help our brothers and sisters affected by the volcano eruption in Saint Vincent. With your help, we were able to raise over \$500.00. Thanks to Ms. Avonelle Hector Joseph and Is There Not A Cause (Itnac) in Trinidad and Tobago for facilitating the relief effort. The funds received were used to supply clean drinking water and food etc. Please see the photos below.

- **Brazil School Supplies Donation**

On June 7, 2021, T.A.I shipped school supplies to SOS Brazil Kids. With over 4000 back-to-school products, we were able to sow into the lives of children for the next semester. Special thanks to all our ministry partners that made this a success. Thank you, Suzana Delgado-Gray (Executive Director, Grand Prairie YMCA), Sandra Green (Brittany's Backpack), Kristen Vincent (The Homes for Children Corporation), Curtis Pruitt, Dezarita Dashai, Debrah Nickerson (Ft. Wort Five Loaves & Two Fish), Roshanda Money, Patricia Rigsby-Scott (2H3C), and Rhonda Willingham (Making it Count Inc).

From the Directors' Desk

Worrell and I are so grateful to God for His continued blessings on T.A.I. We see His direction and provision, and it is because of His steady hands, we are still here.

The past year has been very difficult for many. COVID-19 has affected our lives in some way. Loss of income, jobs, and lives are only a few of the issues caused by this pandemic. Yet, we are continuing to pray for you and your family, and we are believing that your best days are still ahead. Although this season is difficult, we have seen the favor of God in our ministry. Earlier this year, we were able to purchase a van for the ministry. This vehicle will help us to transport goods as needed. We ask that you continue to pray and believe with us for a commercial kitchen and a warehouse space. We believe we will be able to do more and touch more lives with our feeding and distribution program.

Lastly, we will be creating our official website and social media presence in the next quarter. With these tools, we will be able to reach more with the gospel of Jesus.

Thank you for your continued prayer and financial support. To contact us and for donations and financial support, please see our information below.
