UMC General Conference 2020/2024

April 23 - May 3, 2024

Charlotte, North Carolina

Typically every 4 years over 850 delegates representing United Methodists around the world gather for two weeks of worship, celebrations and legislation that will guide our denomination. Anyone can submit a petition about any topic and committees discuss each before recommending next steps.

To learn more about this process, here are three resources. The first is a short video on Facebook. The second shows who is representing churches in our region and the third is a general resource explaining what's happening and how to "tune in" for daily reports (or watch it live streamed). Don't be misled if you see 2020 as the date. This 2024 conference is handling what should have occurred in 2020 but was postponed due to Covid 19.
