BIOGRAPHY

Brighton is an American DJ and Producer with a passion for creating immersive musical experiences. Specializing in Tech House, House, Funky House, Techno, and Drum and Bass, Brighton has quickly made a name for himself in the electronic music scene. With a keen ear for eclectic beats and an innate understanding of various electronic music genres, Brighton has mastered the art of blending cutting-edge sounds into seamless and unforgettable sets. His dedication to the craft is evident in the vibrant energy he brings to every performance.

'The standout feature of this lounge is undoubtedly the exceptional DJ'

Sheryl Stockstill: The Morse Code Lounge is a hidden gem for those seeking a perfect blend of music and fine wine. The standout feature of this lounge is undoubtedly the exceptional DJ and wine selection. What truly sets this place apart, is the friendly and inviting staff. Their warmth and hospitality created an atmosphere that felt like a home away from home.
