Henrik Vandrup started his Martial arts training in 1981 under Sensei Jan Krogh Severinsen 3rd Dan. The style was Budo All style, which was derived from Kyukushinkai. As Kyoshi Vitus Bilking brought Okinawan Shuri Ryu to Denmark it was a logical next step to take up this style. In 2011 He started his own School just outside Brovst in the northern part of Jutland. This has led to several trips to the States participating in both Shurite Martial arts Seminar hosted by Kyoshi Troy Price and ISA seminars under Hanshi Robert Bowles.

Instructors Henrik Vandrup has trained under include:
