

Home Health Aides / Personal Care Assistants

D' Nicole, provides professional Home Health Aides (HHA) / Personal Care Assistants (PCA) to assist with our client's quality of life and help maintain their independence in the comfort of their homes. Our commitment is to promote the highest level of dignity, respect, and compassion to promote as much independence as possible to our clients.

Our team of professional HHA's / PCA's job task are but not limited to:

- Support clients who can't move on their own (Mobility Support).
- Help clients dress, bathe, groom (brush or comb hair), and eat.
- Assist clients with activities of daily living (ADL's).
- Light meal preparation or cook meals according to the customer's restrictions.
- Help clients with their shopping.
- Light housekeeping and laundry to maintain a clean environment.
- Provide emotional support.
- Oral Care.
- Medication Reminders.
