- Social skills
- Budgeting
- Self-Advocacy
- Housekeeping
- Vocational Skills
- Safety Skills
- Recreational Activities
- Community Integration
- Medical Appointments
- Companion Services (Behavior or Day and/or Night Companions)

### **Early & Periodic Screening, Diagnosis, and Treatment (EPSDT)**

- Is a service for individuals between 0-21 years of age. Only in combination with Children's Choice. Children's Choice Waiver (CCW) is a Medicaid Home and Community Based Service Program that offers supplemental support to children with developmental disabilities who are currently living at home or who will be leaving a foster care/institution to return home.

### **New Opportunities Waiver (NOW)**

- Provides case management, family support, and training for individuals who are ages 3 and older and who are MR/DD.

### **Community Choices Waiver (CCW)**

- Provides case management, family support, and training, and environmental accessibility for the home or community to elderly or disabled adults.

### **Long-Term Personal Care Services (LT-PCS)**

Provide regular support for unspecified activities of daily living for individuals.

## **Supervised Independent Living (SIL)**

D' Nicole provides a Supervised Independent Living Program. SIL is designed to meet and assist people in living independently with minimal assistance in the home of their choice. We believe individuals of all abilities deserve to live their best life. Our goal is to support our clients' endeavors through therapeutic guidance in their living situation by providing transportation to stores for groceries and clothes, doctor appointments, movies, or outings into the community.
