**Ranch Horse Championship Versatility**

In consideration of the unique offerings of our Ranch Horse division, we will hold a Ranch Horse Championship Versatility Saturday evening. Horse/exhibitor combinations that are in the Top 10 in ShoMe’s year-end standings as of the close of Saturday’s regular schedule at The Championship SHO will be eligible for this event. For 2024, qualifying horses will compete in the following:

- Ranch Conformation
- Ranch Pleasure
- Horsemanship
- Ranch Reining

The horse/exhibitor combination accumulating the highest number of points across all four events will be our champion!

**\*THE FINE PRINT:**

Qualification is based on the horse/rider combination. No swapping of horses/riders will be permitted for the Championship classes.

Horses and exhibitors may only have ONE entry per Championship class. If an exhibitor qualifies for a Championship class with two or more horses, the exhibitor must choose which horse he/she will compete with for the Championship. Similarly, if a horse is qualified for the same Championship class with more than one exhibitor, only one exhibitor may compete in that class.
