

Greater Eastside Junior Football Association

Player Waiver Form

System: _____

Date: _____

I, the parent of _____ hereby request he/she be allowed to play up one level during the present GEJFA season.

I have discussed both the positive and negative aspects of this move; i.e. size, age, and weight differences, athletic ability, playing time, etc. with both the coach and System director. I fully understand he/she will be playing above his/her age/weight level. I also understand that the potential for injury is greater at this upper age/weight level.

I hereby give my approval, release, absolve, indemnify and hold harmless the above named System and the GEJFA in case of injury to the above named player.
