ELDT TRAINING REQUIREMENTS

- **THEORY**- We offer the JJKeller on-line program. Complete in your own space at your own pace. There is no required time frame. Must score 80% or higher on each quiz after each category.
Fee: \$100
- **BEHIND THE WHEEL (BTW) -RANGE**-Backing exercises in our lot. Every person learns at a different pace. We offer hourly and package training . You can always increase the amount of training you need. Required hours are no longer required for the ELDT. You and your instructor will determine when you have demonstrated your ability to complete all range exercises sufficiently.
Fee: \$150/per hour
- **BEHIND THE WHEEL (BTW)-ROAD**-On the road driving. Again, each person will train at their own pace. On the road training will teach you how to position your vehicle for proper stopping, turning, following distance and all other aspects of commercial vehicle driving. This includes manual shifting for individuals who do not want restrictions on their commercial driver license.
Fee: \$150/per hour
