

WOMEN'S HISTORY MONTH

March is Women’s History Month and is devoted to celebrating women’s contributions to history, culture and society. What started as a week long occasion organized by the school district of Sonoma, California, in 1978 grew to be a nationally recognized celebration. The National Women’s History Alliance was the leading force in establishing this movement. With their mission to promote Women’s History and their commitment to recognizing the diverse and significant historical accomplishments of women, each year they select a theme for Women's History Month.

New Harvest Church has a new pastor! Christian DeCan began ministering in Pe Ell on January 21st, 2024. Christian has been serving as the Associate Pastor and worship leader at Hope + Life Church in Auburn, WA since July 2020. He has also served as a Worship leader. He has a Masters of Divinity from Biola University and is ordained with the Assemblies of God denomination.

PE ELL
NEW HARVEST CHURCH

Christian grew up in a small town in Montana. He completed his bachelor's degree in Biology from the University of Montana in 2016 and worked for a year as a 7th and 8th grade science teacher before he continued on with education and training in the ministry. Once the remodel of the parsonage on the church property is completed, Christian will move to Pe Ell with his wife Sarah, and two children, Daniel and Claire. In the meantime, he will be traveling down from Lake Tapps, where they currently live. Pastor Christian and his wife Sarah have a heart and passion to get to know the people in our community. They want to be involved. We are excited to see what God will do in this new season at New Harvest Church.

MINUTES WITH THE MAYOR

Hello, Everyone,

The month of February is flying by. I hope everyone survived the snow event with minimal inconvenience. I'm looking forward to spring flowers and hoping for better weather in March.

It's come to my attention that parking in front of the Post Office by non-postal patrons has become a serious issue. In addition to postal customers, this hampers deliveries by UPS and USPS. Please observe the sign in front of the Post Office and unless you have postal business, please park elsewhere. Thank you.

Congratulations to the Lady Trojans basketball team and the best of luck vs Sunnyside!

The yard waste box has a tentative return date of the first part of March. Thank you in advance for continuing to use this service responsibly.

During Tuesday's Pe Ell Town Council meeting, the council voted unanimously to set June 22nd for the next spring clean-up/recycle event. Additional information to follow as the date becomes closer.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov/departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

Police vehicles are on duty patrolling in and around the community. If you have an emergency, continue calling 911 for assistance. For non-emergency issues, call dispatch at 360-740-1105.

If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in March.

SUNDAY AFTERNOON

Live

On Sunday, March 3, SAL presents a free show by the marvelous viola duo Talla Rouge. This performance is brought to us by the Ladies Musical Club of Seattle. Admission is free of charge, although donations will be gratefully accepted. Characterized as a Persian-Cajun viola duo, Talla Rouge fuses jazz and folk, classical traditions of the West and Middle East, and LGBTQ+ influences. They are internationally recognized, having recently won the Francis Walton Award for Small Ensemble (2022). As active supporters of new compositions and young musicians, Talla Rouge sponsors an international viola duo composition competition. They also host a Young Artist Workshop for aspiring violists. One more irresistible note about Talla Rouge—according to their official website: “Talla Rouge is a sucker for cute cats and coffee.” All the more reason to join us on Sunday, March 3, for this free concert by the incomparable Talla Rouge!

International Women's Day (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

IWD has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific.

February's full moon, the second of 2024, will rise in a blaze of color and light this weekend — but don't expect a giant orb in the twilight sky. Thanks to orbital mechanics, the "Snow Moon" will be the smallest of the year as it rises during dusk on Saturday (Feb. 24).

The exact opposite of a supermoon, this Snow Moon will turn full when our natural satellite's orbit is close to its farthest point from Earth in its slightly elliptical monthly orbit.
