**Sons of Serendip, Sunday, March 10** (\*Please note 3:00 PM show time)

**Sons of Serendip** is an ensemble that is a true example of "serendipity": A happy and unexpected circumstance. One brilliantly talented young man runs into an old friend while both are in grad school at Boston University, and together they form a musical union with two other grad students—all exceptional artists. Their journey will include wins on "America's Got Talent", appearances with opera icon Renee Fleming, megastar John Legend, and the Boston Pops. They will put out four successful albums, perform for Oprah Winfrey's 2020 Vision Tour, and represent the US in Dubai at Expo 2020. Along the way, **Sons of Serendip** will enchant, soothe, and amaze an army of adoring fans.

**Sons of Serendip** are a classical crossover quartet whose melding of cello, piano, harp and vocals have inspired listeners of all ages to respond with heartfelt admiration: "You healed my soul today"; "Sitting here, trying not to cry"; "Pure beauty and harmony. Please don't stop." The communion between these performers and their audiences is real and filled with feeling.

**Sons of Serendip** take well-loved songs, as well as their own originals, and weave them into tapestries of wonderful emotion and color. In their hands, Whitney Houston's "How Will I Know" is taken to a new level of romantic. Kansas' "Carry On My Wayward Son" is a surprising, angelic interpretation. In "Purple Rain", Prince's lyrics are sent soaring. Leonard Cohen's "Hallelujah" astounds.

**Sons of Serendip** are an award-winning, world-class ensemble because a series of seemingly random events brought them together. Fortunately for us, we can come together to be inspired by their music.

**Sons of Serendip** will appear at the historic Raymond Theatre, 323 3rd St, Raymond, WA on Sunday, March 10 at 3:00 PM. Admission is free with 2023-2024 SAL season ticket. Tickets for the **Sons of Serendip** performance will be \$25 at the door (credit card, cash, or check), or \$5 for students. Advance purchase is \$20 for adults and \$5 for students, and can be ordered online at [sundayafternoonlive.org](http://sundayafternoonlive.org) or by mail. Send a SASE and a check payable to Sunday Afternoon Live to: SAL, PO Box 964, South Bend, WA 98586; or you may email [sal@reachone.com](mailto:sal@reachone.com), or call 360-836-4419. Tickets can also be purchased at South Bend Pharmacy and at Raymond Pharmacy, or at Alder + Co. in Raymond.

# HAPPY St Patrick's DAY

While St. Patrick's Day originated as a religious holiday in Ireland, it has evolved into a widely celebrated cultural event in the United States, marked by various traditions and customs. Here are some American traditions associated with St. Patrick's Day:

**Parades:** St. Patrick's Day parades are held in many cities across the United States, with the largest and most famous parade taking place in New York City. These parades often feature marching bands, bagpipers, Irish dancers, floats, and participants wearing green attire.

**Wearing Green:** Wearing green clothing and accessories is a common tradition on St. Patrick's Day in the United States. People often dress in green hats, shirts, socks, and other items to show their Irish pride or simply to avoid getting pinched.

**Dyeing of Bodies of Water:** In some cities, particularly Chicago, it's a tradition to dye bodies of water green in honor of St. Patrick's Day. The Chicago River is famously dyed green each year, attracting large crowds of spectators.

**Irish Food and Drink:** Many Americans celebrate St. Patrick's Day by indulging in traditional Irish food and drink. This can include dishes such as corned beef and cabbage, Irish stew, soda bread, and colcannon, along with beverages like Guinness, Irish whiskey, and Irish coffee.

**Irish Music and Dancing:** St. Patrick's Day celebrations often feature live performances of Irish music and dancing. Irish pubs may host musicians playing traditional tunes, while Irish dance schools or performance groups may showcase Irish step dancing.

**Green-themed Events:** Beyond clothing, many events and activities on St. Patrick's Day incorporate green themes. This can include green decorations, green-themed parties, and even events like green-themed races or fun runs.

**Community Festivals:** In addition to parades, many communities host St. Patrick's Day festivals or street fairs. These events may include carnival rides, games, craft vendors, and other activities for families and revelers to enjoy.

**Attending Church Services:** For those who observe the religious aspect of St. Patrick's Day, attending Mass or other church services dedicated to St. Patrick is a tradition. This is particularly common among Irish-American communities.

These are just a few examples of the traditions and customs associated with St. Patrick's Day in the United States. The holiday is celebrated with enthusiasm and a sense of camaraderie among people of all backgrounds who come together to honor Irish culture and heritage.

#### Professional screening for those in the following school districts:

*Adna, Boistfort, Cosmopolis, Evaline, Griffin, Hood Canal, McCleary, Mary M. Knight, Morton, Mossyrock, Napavine, Oakville, Onalaska, Pe Ell, Raymond, Toledo, White Pass, Willapa Valley, Winlock, and Wishkah Valley*

If your family is living in a temporary situation, you may contact the district where you are staying to attend a screening.

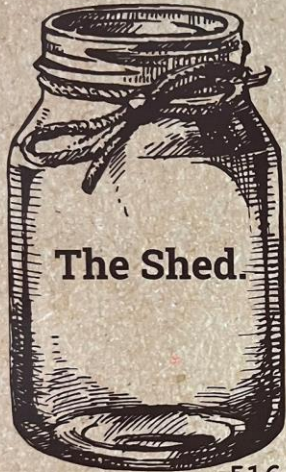

Children will be screened for vision, hearing, speech/language, motor coordination, learning skills and social and emotional behaviors.

Information on your child’s school readiness and development will be presented to you upon conclusion of the screening. This screening does not replace regular medical care, but provides families with additional information on young children and their development.

Please contact your local school to set up an appointment for your birth to five-year-old child. If your family is living in a temporary situation, you may contact the district where you are staying to attend a screening.
