Write any specific descriptive information to be announced during the parade in the space provided.

Main Stage Sponsorship: The main stage will have advertising space available for companies and/or organizations that wish to be represented at the parade. It is a good way to participate if time and personnel are issues. All proceeds from this go toward parade expenses and providing gifts, punch, and cookies for the children visiting Santa. Please help -- It's a good thing!!

**Please reserve us a space on the cooperative stage at the cost of \$50.00
 Make checks payable to: Cadiz Business Association**
