FROM THE EDITOR

ALL THE NEWS THAT'S FIT TO PRINT.. AND SOME THAT ISN'T

Marines,

I need to start by saying with the passing of Secretary George Owings, the detachment and all veterans lost a true friend. As many of you know, George was a member of our detachment and dedicated a huge portion of his life to the veteran community. He will be missed.

If you did not attend our Birthday Cake Cutting Ceremony, you missed a good one. We were displaced from our regular location and the American Legion Post 175 in Severna Park graciously shared the evening with us. We could not have found a more hospitable location.

Members of your Board of Trustees had a great conversation with Post 175's commander about potentially moving the detachment

there. They want us. Our regular 4th Monday is available and there is storage for the detachment's property. It looks like a good fit. This topic will be discussed at our November meeting where I will introduce the motion on Page 1 of this newsletter.

I added a new feature to the newsletter called "From Around the Corps." I would like to include a current topic about what our Corps is doing. Let me know what you think.

Semper Fi,
Ray Sturm

COMMANDANT'S CORNER

Marines,

Another month and birthday has passed. We do look good for 248 years young. I hope everyone enjoyed the cake cutting ceremony at American Legion Post 175. We met a lot of new Marines/ possible members. They also had a great-looking cake, which they shared with us. Plus, their commander opened the bar for an hour to match our hour.

I would like to thank Commander Corey Clatworthy, his 2nd Vice Christine and all of American Legion Post #175 for hosting us.

Marines, the Department of Maryland convention is May 9th thru 11th. Rooms are blocked and priced already. The banquet will cost \$60.

I held off on the fellowship dinners this month and December. This is due to the holidays and our pot-luck dinner next month. We will resume in January. Lastly, we have raffle tickets to sell for the department raffle. That is all.

Semper Fi,
Burt

Marines on Okinawa stand up a littoral regiment to join sister unit on Hawaii

By Matthew M. Burke—Stars and Stripes

CAMP HANSEN, Okinawa — The Marine Corps on Wednesday launched a new seaborne quick-reaction force on Okinawa as friction between U.S. regional allies and China is on the rise.

The 12th Marine Regiment became the 12th Marine Littoral Regiment during a sunlit morning ceremony on Camp Hansen's football field. The littoral regiment — typically about 2,000 Marines — will specialize in stand-in force operations, a key tenet of the Marines' revamped island-fighting doctrine, Force Design 2030.

A stand-in force is a small, mobile unit inserted within enemy missile range to seize and hold key islands and deny enemy vessels access to surrounding seas.

"Today marks a significant milestone in the storied history of 12th Marine Regiment as a transition to the 12th Marine Littoral Regiment," Maj. Gen. Christian Wortman, commander of the 3rd Marine Division, said during the ceremony.

This transformation is "a direct response to the dynamic defense landscape that we face in the 21st century," he said. The new littoral regiment is not focused on any particular nation, but is prepared to face evolving regional threats, Wortman said after the ceremony.

The redesignation came less than a day before President Joe Biden is scheduled to meet Chinese President Xi Jinping in San Francisco during the Asia-Pacific Economic Cooperation summit. The leaders are expected to discuss topics ranging from the resumption of military-to-military contacts to the wars in Gaza and Ukraine.

The Pentagon's 2022 National Defense Strategy identified China as a global pacing challenge. The communist nation, with its modernizing and expanding military, has provoked U.S. allies Japan and the Philippines in the East and South China Seas. The U.S. is bound by treaty to come to their defense.

Plans for an Okinawa-based littoral regiment were first announced in January by the Japan-U.S. Security Consultative Committee, or 2+2. The new regiment is the second of at least three planned for the Indo-Pacific. The 3rd Marine Littoral Regiment was launched in Hawaii in March 2022.

Col. Peter Eltringham, right, commander of the new 12th Marine Littoral Regiment, retires the 12th Marines' unit colors along with Sgt. Maj. Joshua Minter at Camp Hansen, Okinawa, Wednesday, Nov. 15, 2023. (Scott Aubuchon/U.S. Marine Corps)

MESSAGE FROM MDVA SECRETARY ANTHONY WOODS

Dear Friends,

It's with a heavy heart that I share that former Secretary George Owings III passed away yesterday morning after a brief battle with cancer.

George, in many ways, embodied what Veterans can do after they've completed their time in uniform and become leaders in their communities and across the state.

It's safe to say that few people have had a greater impact on Maryland veterans than Secretary Owings. His experience as a Vietnam Veteran and Marine led him to recognize the need for a state-level Department of Veterans Affairs to advocate on behalf of our community and assist veterans, service members, and their families in accessing the benefits they've earned through uniformed service.

As a leader in the House of Delegates, he had the foresight to champion the legislation that turned the Maryland State Veterans Commission into the Maryland Department of Veterans Affairs. Anyone who took a walk with him around Annapolis would quickly realize that he was a beloved figure who had the relationships needed to pass the legislation creating the Department in 1999.

Following the Department's creation, he worked alongside many of you - members of the veteran community and MDVA employees alike - to build the organization we know today during two tours as Secretary. Whether championing legislation to help veterans, or advancing efforts to secure the resources needed to build a second Veterans Home in Sykesville, George was a tireless advocate for veterans and his legacy will be felt for many years to come.

For many of you, he was a mentor and a friend and his loss will be long felt. I hope that you will keep his family in your thoughts and prayers and join me in honoring his service to our state and to the country.

Sincerely,

Tony

Editor's note: Secretary Owings was a member of the Anne Arundel County Detachment. George was a good friend and loyal supporter of our annual golf tournament. He will be missed on the First Tee.

Message from Secretary Anthony Woods

Veterans Day was a great opportunity to show our appreciation to those who have served and we're thankful to all of you who organized events all across the state.

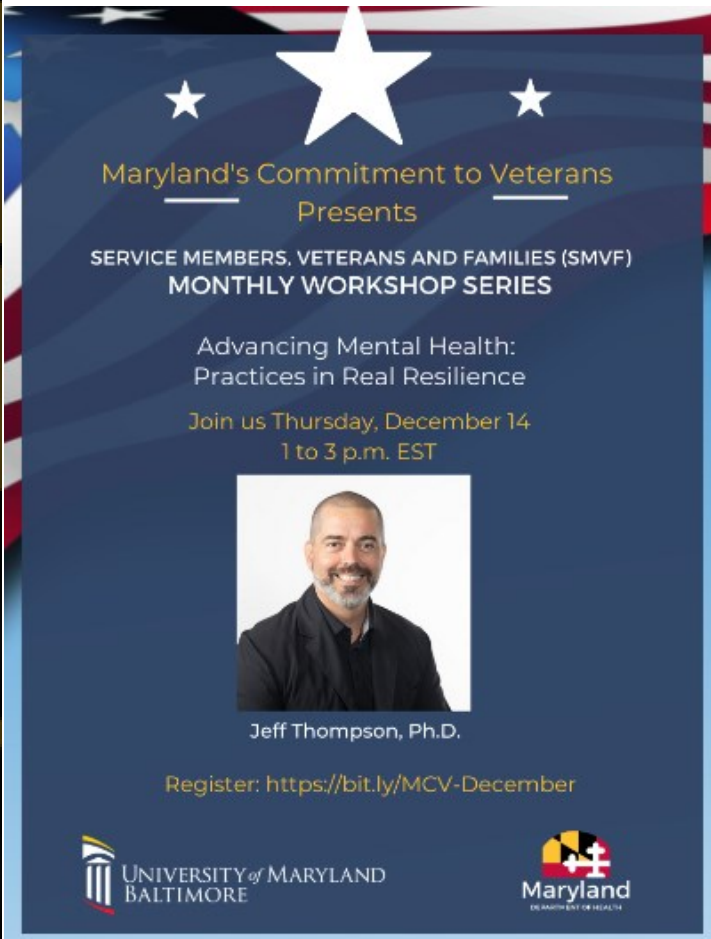

To ensure that our gratitude goes beyond words, Governor Moore signed two executive orders and helped us launch a new initiative focused on Veteran and Military Families.

The first executive order reaffirmed Maryland's commitment to the [Governor's Challenge to End Suicide Among Service Members, Veterans, and their Families](#) and the second established a commission to guide the creation of a Global War on Terrorism memorial.

Our new initiative, [Maryland Joins Forces](#) aims to address the challenges facing veteran and military families with five key focus areas: employment, education, food and housing insecurity, health and wellness, and volunteer service. We will be bringing together partners from government, the private sector, and nonprofit sectors to make progress for the broader military connected community and look forward to working with many of you in the months and years ahead.

Sincerely,

Tony

VA releases National Veteran Suicide Prevention Annual Report

For Immediate Release: November 16, 2023

WASHINGTON — Today the Department of Veterans Affairs released the [National Veteran Suicide Prevention Annual Report](#), the largest national analysis of Veteran suicides through 2021 (the latest year for which we have data). The report shows that 6,392 Veterans died by suicide in 2021, which is 114 more than in 2020. The number of non-Veteran suicides also increased to 40,020 deaths in 2021, which is 2,000 more than in 2020.

2021 was the first full year of the COVID-19 pandemic, which led to greater financial strain, housing instability, anxiety and depression levels, and barriers to health care – all of which are known to be associated with increased risk of suicide for Veterans and non-Veterans alike. There was also an [increase in firearm availability in 2021](#), which is proven to increase both the [risk of suicide](#) and the [risk of dying](#) during a suicide attempt.

Ending Veteran suicide is [VA's top clinical priority](#) and a key part of President Biden's [Unity Agenda](#). Since 2021, VA has worked aggressively to expand support for Veterans in crisis, including [offering no-cost health care to Veterans in suicidal crisis at VA or non-VA facilities](#); [launching the 988 \(then press 1\)](#) to help Veterans connect more quickly with caring, qualified responders through the Veterans Crisis Line; [partnering with community-based suicide prevention organizations](#) to provide Veterans with on-the-ground support; expanding [firearm suicide prevention efforts](#); and encouraging Veterans to reach out for help through a [national Veteran suicide prevention awareness campaign](#). These steps have led to more than 33,000 Veterans getting free emergency health care, a 12.1% increase in use of the Veterans Crisis Line, more than 3.5 million visits to [VA's support website](#), and [more](#).

Moving forward, VA and the [Biden-Harris Administration](#) will continue to work urgently to end Veteran suicide through a [public health approach](#) that combines both community-based and clinically based strategies to save lives.

“There is nothing more important to VA than preventing Veteran suicide —nothing,” said **Secretary of Veterans Affairs Denis McDonough**. “One Veteran suicide will always be too many, and we at VA will use every tool to our disposal to prevent these tragedies and save Veterans’ lives.”

“We will do everything in our power to learn from this report and use its findings to help us save lives,” said **VA Under Secretary for Health Shereef Elnahal, M.D.** “It will take all of us — working together — to end Veteran suicide, and we will not rest until that goal becomes a reality.”

(Continued on next page)

(Continued)

Before 2021, Veteran suicide had decreased two years in a row—from 6,718 Veteran suicides in 2018 to 6,278 in 2020. [Learn more](#) information about VA's comprehensive, nationwide efforts to prevent Veteran suicide.

This report is based on verified data from the Centers for Disease Control and Department of Defense, and it meets the quality standards of a peer-reviewed publication. In the interest of full transparency, VA releases yearly reports detailing how we come to the conclusions in the [Annual Suicide Prevention Report](#).

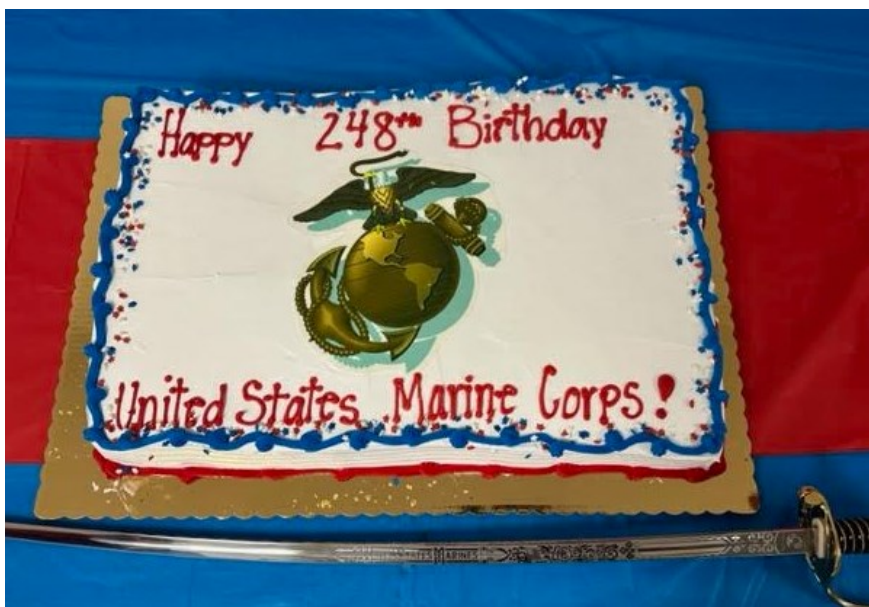

For more detailed information about Veteran suicide in 2021, view the [full report](#). For additional Veteran suicide mortality data, see the report's [accompanying state data sheets](#).

OLD/UNFINISHED BUSINESS: Commandant Helmka announces we are still in search of a home to house our annual Marine birthday cake cutting ceremony. We finally have secured a location at the American Legion Post 175, which was a delay due to some miscommunication issues. The agreement was voted on and Commandant Helmka will make the best decision possible to have this event and not cancel.

The topic of moving to a new location for meetings was discussed briefly and tabled for future. Burt called the Severna Park American Legion and explained our needs. Waiting for a reply. Burt also contacted American Legion Post 40 in Glen Burnie. They both welcomed the Detachment and are looking into finding storage in the building. Final decision to be made later. If we cannot secure a location, we will stay at VFW Post 160.

Burt suggested continuing holding fellowship dinners at local restaurants, hoping to draw more attendance, this was a unanimous decision, and we all enjoyed the past dinners. Participation is encouraged.

NEW BUSINESS: The young marines have agreed to help at the recruitment drive on April 27th, 2024 and have asked the league to purchase a young marine's table cover, we will vote on this at our next meeting. Burt asked us to try and use the Detachment business cards to pass on to possible new members. The motion was set forth to purchase a gross of yellow roses and we voted to do so. This is a simple and easy fundraiser for us.

The Marine Corp Heritage Foundation is asking for a donation. Nila Caulder put in a motion to send \$100.00, and motion was seconded by Ben Wells.

The Maryland Department of Foreign Wars Department are looking for donations to provide covers and baseball caps to the VA hospital. MOCA and the Cooties are also sending caps and covers. There are approximately 40 Marines within Maryland to provide for. This is done for all military branches one at a time. There was a motion by Ben Wells to donate \$150.00 and a second by Debbie Deene.

GOOD OF THE LEAGUE: Mrs. Jane Huffman - Our raffle fundraiser will be held live on November 26th, 2023, and there are just a few numbers left. Currently the raffle has brought in \$1130.00. Our bus trip to the Green Dragon farmers market in Lancaster raised \$1120.00, for the league. We thank Mrs. Jane for all that she does for us; she's awesome.

ANNOUNCEMENTS: We want to not only thank Joe Peacy for taking on the Jr. Vice role but adding the Paymaster position along with it.
