40th Annual Invitational Basketball Tournament  
April 27 & 28, 2024

Dear Players, Coaches, Parents, Families, and Friends,

Welcome to the Sacramento Rebels 40th Annual Invitational Basketball Tournament. This year, we have over 65 teams from Sacramento and the Bay Area participating and are glad to offer games across twelve divisions. We are proud to be an active organization within this basketball community for 40 years and we could not have done it without all of the Sacramento Rebels' families and volunteers before us. We hope to make this year's tournament a special one. Please join us at the family ice cream social and glow party festivities on Saturday evening at Doubletree Hotel, Sacramento.

Our goal is to provide youth an opportunity to compete and create friendships on and off the court. We ask that players and spectators display good sportsmanship. Let's keep things positive and have a fun, exciting weekend of basketball.

We also want to thank our tournament committee volunteers for the numerous meetings and countless hours of planning, and the support of our Sacramento Rebels families. This tournament does not happen without them. Thank you for your continued support.

Sincerely,

*Chris Lee*

## ISABELLA AZZOLINO #21

I can't say I have a favorite memory with this team because we never had a dull moment, not even during practice.

I want to say thank you to not only my team for dealing with my over competitiveness and jokes, but also Coach Faye and Coach Mona. We all just seemed to click instantly with each other and I never felt so welcome.

My family, the people who have supported my basketball journey ever since I was 8 playing Jr. NBA, thank you for never giving up on me even when I gave up on myself.

To my younger teammates, it has been great getting to know you all. To the other seniors, this isn't the end, just another chapter of our lives that we can't be afraid to start. Love you guys.

# NYAH DUONG

Being on the Rebels team with the 2023 girls last year for the last few years and 2024 girls this year has been an amazing experience to say the least. It was certainly an entertaining learning experience.

I want to thank you my family and rebels organization for always being there for my team and I and making playing basketball so enjoyable. I was able to meet so many amazing people through rebels and the socials because my family decided to give up their weekends to drive me everywhere. I want to say I've really come out of my shell and became more confident because of the rebels.

Although Coach Ramon was my coach for the past few years—as I was on the 2023 team up until this year—I want to personally thank him for being so patient and encouraging with the team and I as well as Coach Faye and Coach Mona who stepped up to coach our team this year. They are also coaching another rebels team and I understand it's a lot of work and commitment. They do so much for us even with their jobs. It's not easy to sign up for things like this so I want to personally say I really appreciate their efforts and dedication.

In the near future I plan to attend Long Beach State and major in either computer engineering or civil engineering. I plan to continue my passion for basketball through intramural sports or hopefully club but that is as far as my aspirations for basketball will most likely go.

# JASMINE CLEE #2

TO MY FAMILY AND COACHES, THANK YOU FOR SUPPORTING AND PUSHING ME TO BECOME WHO I AM TODAY. THROUGHOUT THIS EXPERIENCE WITH THESE INCREDIBLE TEAMS, I HAVE MADE MEMORIES THAT I WILL BE GRATEFUL FOR FOREVER. IN THE TIME WITH MY PAST TEAM, I ALWAYS LOOKED UP TO THEM AND IM SO GLAD THAT I HAD A TEAM LIKE THAT TO LEAD ME THROUGH THE ROUGH PARTS OF LIFE. COMING TO PRACTICES WAS MY FAVORITE PARTS OF THE WEEK AND I ALWAYS LOOKED FORWARD TO BEING AROUND THEM. I ESPECIALLY WANT TO THANK COACH RAMON FOR ALWAYS BEING THERE FOR ME AND STILL COMING TO SUPPORT ME. AND, ALTHOUGH WE HAVE GONE OUR SEPARATE WAYS, I'M SO THANKFUL FOR EVERYTHING I WAS ABLE TO BE A PART OF. LOVE YOU ALL.

## JAZ HEARN #22

This may be my only year playing with the Rebels, but I couldn't be more thankful to be a part of it. Time means nothing with this group. Everybody is so welcoming and already feels like family. My favorite memory with this team would probably be the Ardenettes Tournament. I wasn't able to stay over with everybody but being out of town, seeing the beach, and just being with this group between games is just one more thing to add to this incredible senior year.

I also love the energy of the team and parents/coaches. The cute little videos we do just add to the experience and I have never adapted or felt so connected to a team as quickly as I have this one. The group of girls, coaches, parents, and helpers is truly different from anything else.

I loved playing with all of these girls and making my last few senior memories special. Asian ball is different from anything, it's not like AAU, it's not like high school. It is unique in the best way possible and I am glad to be a part of the it.

Unfortunately Sac City is no longer set in stone for me as of right now. And although my plans for next year are no longer clear, I am excited to head to college knowing I can ALWAYS reach out to anybody on this team and be supported in any choice I make. My parents have been a major attribute to my success and all I have done. They always make sure I am where I need to be and ready to go.

Thank you Rebels Basketball!

It has been an amazing time with all the guys on and off the court. It has been fun making new memories with each other. Thank you for the coaches for the time energy you have gave to this team. Mom, Dad, and Audric thank you for coming to my games and supporting me. To my teammates it has been a great getting to know each one of you guys. I'm glad to make new friendships with every single one of you guys.

---

My favorite memory of being a rebel was our first tournament win against the Barons, the whole game was just really fun and it was cool to see us for the first time to 1) beat the Barons and then 2) also just win a tournament in general. The socials were always just as fun as well. One time there was a dance circle and it was just really fun and cool to see all of the team, boys and girls, bond together even though we were on different teams. I feel like our team has been through a lot: injuries, new players and we all just haven't played that long with each other as well. Either way we still manage to win the game.

## Bryan Russell #2

To my teammates and coaches thank you for everything you guys have taught and given me. You guys are not just teammates but family as well. When my dad passed away you guys were all there to comfort me and I really appreciated it since it really helped me out on the time being. Every single one of my boys got along just well. No matter the time or place we always acted like we were all best friends.

To Coach Corey, I just wanna say thank you for making me a better basketball player and also a better overall person. I thank you for making my seasons as a Rebel really fun and more than just basketball.

# CHRISTIAN MAMARADLO # 22

I'm so lucky to be apart of the Rebels organization and to be able to create so many great memories with my brothers. Being on this team has taught me a lot, and I'd like to thank all my coaches and teammates for this experience. A few of my favorite memories was when the hotel elevator broke down, went on top of Twin Peaks in SF, and when we were at ocean beach at midnight. Some of my least favorite memories are running at practice because we couldn't hit the magic number. I'd also like to thank my parents for always supporting me and helping out with this team. Thank you for always attending my games, and making sure I have a drink. Before I conclude my last season with this team, I want to say I have much love for all my coaches, teammates, and the parents that take care of us. I wish the best for my brothers after high school, and peace out.

# Gabriel Castillo #15

I'm happy that I kept playing Asian league and stayed on the rebels for 4 years. Playing with the same group of people for the last 4 years really helped me as a basketball player and as an individual. I have made many memories with them in basketball and outside of basketball. Although, it took us a while to build this strong chemistry we have right now, it was worth the wait. Our coach, has believed in us ever since we were just kids, telling us that it will take time and that we have to work for it.

Outside of basketball I will miss the small hangouts we had after tournaments and going out to eat as a team. One of my favorite memories is being able to win championships with the boys. A lot of teams underestimated us and we were able to prove them wrong and win. I want to thank all the coaches and people who have believed in me and my teammates in playing together, building chemistry, and winning together.

Joining the Rebels organization all those years ago was one of the best choices I ever made. While playing school ball was really important to me, I always felt more at home with my Rebels family. These guys have become some of my best friends and I love playing with each and every one of them. One of the best memories I have is when we beat the Barons with a game winning 3 to win our first championship.

I want to thank all the parents and coaches for always coming out to support us. A special thanks to Coach Corey for not only teaching me so much about the game and how to be a leader but also for pushing my teammates and me to be the best players we can be. ❤️❤️

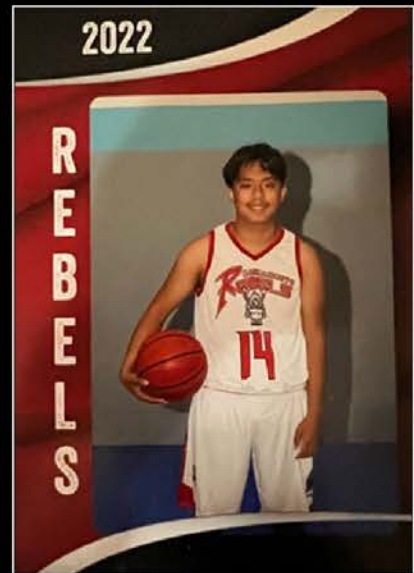

# J Lana #14

Thank you Rebels for allowing me to be a part of the organization since 7th grade. This Organization has taught me many valuable things, whether it be working together to win tournaments, creating a community that is inclusive to all, and making friendships that will last a long time. I will especially remember all the times I spent with the guys hanging out after games, spending nights messing around in the Bay Area. I would like to thank the Coaches for instilling good habits and keeping a fun environment even during practice. I would like to thank my teammates for supporting each other, even if a game isn't going right, or if practice doesn't go the way we would want it to. I will miss being a part of this family and I hope we can meet up eventually during and after college.

# Jon Frederick #23

I am so glad that I chose to join the Rebels Organization. It has been nothing but good memories that will last a lifetime.

I would like to thank my coaches for pushing me in practice and making me a better player and a better person overall. I have truly enjoyed the last 6 years and will never forget the experience.

# JV Lecaroz #11

Joining the rebels is a decision I won't ever regret. I remember taking a break from basketball and the team but my decision to come back and play until I go to college is the best choice I could've made. Despite my chance of not being able to play basketball in high school, the team accepted the kind of player I am and we created a strong bond together. These group of guys became my teammates and later on a family to me. I've made so much memories with these guy from our trips to the bay area, messing around in the hotel, getting some grub, and hanging out. I would like to thank all my coaches for pushing and supporting our team and I through our wins and losses, and to the parents for giving us encouragement during our games. Thank you Coach Corey for helping me go through my injuries and helping me improve my game and pushing me and the team to our limits. I will definitely miss these group of guys and the memories we've shared as a team and hope the best for everyone after high school.

## Ryan Trach #21

There were great memories with my teammates and coaches throughout the years since I joined Rebels. My favorite memories with my Rebels team were when we explored the bay areas. There was a time when we went to a beach on a freezing cold night and found a bonfire left by someone. We then decided to build it up to keep us warm. We had a great night talk, stayed up late, and won the championship the next day!

I am so grateful to have coaches Corey, Mark, Dave. They always make us better basketball players but most important of all, young men. I would like to thank my parents for allowing me to join Rebels. Throughout these years I was with Rebels, there's a with Rebels, there's a brotherhood between my teammates and I along with my coaches.

I also want to thank my teammates for working with me and playing hard through anything to get many championships.

# Sam Dela Cruz #4

Out of all of the countless memories we had with this team, I mostly cherish the tournaments we would get heavily blown out, and have fun right after. Those tournaments not only helped me realize that life wasn't always easy, but it also allowed my teammates and I to actually truly understand what it feels like to compete and win. Without losing as much as we did, I do not think we would have built up the chemistry we have today.

I will miss going out to eat at good restaurants and mess around at the hotels on those Saturday nights. From hide and seek to getting stuck in elevators, those are the moments that made our nights despite winning or losing. From now on, I do not think I will ever find a group of friends or teammates that will mess around like we did, and I appreciate that because my teammates truly felt like brothers.

Ever since my first season with the Rebels, in 7th grade, I have received nothing but love and support from this organization. I thank everyone from the bottom of my heart for giving me such a memorable experience up until my senior year of high school. I love you mom and dad for allowing me to be able to play basketball and being part of this organization. Without basketball I would probably be a professional Call of Duty gamer. I thank my teammates and their parents for being there to support me no matter what. I would also like to thank Coach Corey, Coach Dave, Coach Mark and Coach Lindsey for being there for me when I need it. You guys have taught me more things outside of basketball such as handling losses, patience, and discipline, molding me into a better individual. Especially during my injury, Coach Corey was always there offering workouts and checking up on me consistently waiting for me to get back. Thank you for pushing me to improve every year, and being a huge part of my motivation to recover effectively to finish this last year with the boys. I love all of you!

11 <sup>th</sup> Grade Boys	7 <sup>th</sup> Grade Boys & Girls
10 <sup>th</sup> Grade Boys	6 <sup>th</sup> Grade Boys & Girls
9 <sup>th</sup> Grade Boys & Girls	5 <sup>th</sup> Grade Boys

## RULES AND REGULATIONS

### PLAYER ELIGIBILITY / TEAM ROSTERS

1. Must be in high school or below; early high school graduates may be allowed by the Executive Board.
2. All game rosters must conform to the official tournament roster as approved by the Executive Board. Any changes to tournament team rosters should have been submitted and approved by the Executive Board prior to the tournament date.
3. Players not listed on the official tournament roster will not be allowed to play. Exceptions may be made on a case-by-case basis for team hardship if approved by the Executive Board.
4. Players are allowed to play for only one team and can be listed on only one roster. Failure to comply can lead to disqualification of the player from the tournament.
5. Each team must submit a Player Medical & Liability Release Agreement Form to the Gym Coordinator of the respective divisions signed by a parent or legal guardian of each tournament player. The waiver form must be submitted at least fifteen (15) minutes prior to the player's first game of the tournament before a player is eligible to play.
6. Each team must supply the official scorekeeper with the names and jersey numbers of team members no later than ten (10) minutes prior to the game.

### HOME TEAM

1. Top of bracket unless otherwise specified.
2. Choice of bench.
3. Wears white jersey (Exception: Rebels is always Home team and will wear red jersey).

### POOL STANDINGS DETERMINED BY:

1. Best WIN/LOSS record.
2. Pool Play Tiebreakers (in the event there are teams with the same record):
  - a. Total quarters won in first two games (or all three games in divisions with only 4 teams), not including any overtime play. If a tie remains, then:
  - b. Head-to-head: In the event that quarters won does not settle the tiebreaker, and two teams are still tied, the head-to-head result between games played against each other will determine the higher seeding. If a tie remains, then:
  - c. Total Point Differential: The largest difference between winner and loser score - plus (+) if winner and minus (-) if loser. There will be a maximum value of +/- 15, regardless of the final score. Therefore, there will be no tiebreaker advantage whether winning by 15 points or 50 points.
  - d. Coin flip. If three (3) teams are tied in won/lost record, total quarters won, and Total Point Differential, then:

- i. Coin flip: Three (3) team coin flip, odd coin out goes to championship.
- ii. Head-to-head between the two (2) tied teams will determine who plays for third place and consolation.
