Message from the Acting Headteacher

Asalaam Alaikum Parents and Carers,

I hope you are well. Thank you to FoHPS and all the parents and carers for helping host a wonderful event in school: Milad Un Nabi earlier this week, where our children showcased their beautiful behaviour and nasheeds' compositions.

As the weather is becoming cooler, we request parents ensure children wear their jumpers, cardigans and jackets; kindly label your children's school uniforms so if misplaced, they can be found and returned.

The school photographer Bernie has dropped off children's school photos today, these have been sent home with your child today. Details on how to order are within the envelope.

In addition to this, we are very pleased to say, 'Our brand new Key Stage 2 trim trail is ready!'. Our children in Year 3 have been sharing the Key Stage 1 trim trail with their younger peers for the last two weeks with patience and respect. Drop off and collection for Year will continue to be via the School Office next week, as we complete our final checks on playground.

Please take some time over the weekend reflecting (with your children) our value for this half term: compassion and how children have demonstrated it— we hope this discussion will elicit our pupils being able to share examples of compassion, as well as recall stories and assemblies shared.

Wishing you a blessed weekend,

Mrs Saad

Message from the Faith Leader

Asalaam Alaikum Parents and Carers,

It was so wonderful to see the community spirit that makes Hujjat Primary so unique as we came together on Wednesday to celebrate Prophet Muhammad (PBUH). A huge thank you to all the families that contributed and especially to FoHPS for their tireless effort in making the event an inspiring and memorable one for our children.

At Hujjat we pride ourselves in providing opportunities to develop children holistically. As part of this, this week we marked World Mental Health Day through discussions about feelings and how we can support our mental health. We reflected on verse 28 from Surah Ar-Ra'd, Chapter 13, which says:

أَلَا يَذْكُرُ اللَّهُ تَطْمَئِنُّ الْقُلُوبُ

“No doubt in the remembrance of Allah hearts find rest”

We talked about using this advice from the Quran as a strategy to help us look after our mental health and how we can do this strategy wherever we are because Allah is As-Sami, The All Hearing and always looks after all of his creation. Further ideas to nurture your child's mental wellbeing are provided below.

May Allah (SWT) help us to support our families in their mental wellbeing and to apply the lessons of the Quran in our daily lives so we may achieve peace at heart through His remembrance.

Insha'Allah.

Have a blessed weekend,

Mrs Jessa

We are very proud to announce the winners of the most well designed and creative book-mark: Hanaa (1K), Layla J (2K), Safia K (2W), Hadia (3S) and Sarah (3R). These children were presented with book gift vouchers during assembly. Book-marks completed by children who participated will be showcased around the school. Well done!

Healthy Eating

Please can we remind all parents and carers, if they are providing children with a snack at school, (especially for clubs) it must be only fruit and/or vegetables.

As a school we highly encourage all children to have a hot school meal. School meals have shown to have significant healthy and educational benefits, enabling children to concentrate better in afternoon lessons and helping them in developing healthy eating habits. If your child needs a packed lunch due to special dietary requirements, please liaise with the School Office. Children should not be bringing in crisps or any sugary treats to school.
