Message from the Acting Headteacher

Asalaam Alaikum Parents and Carers,
It has been another busy week and children have been working hard and learning lots!

Last week, we focused on the importance of maintaining *positive akhlaak*, during mental health and wellbeing week and how we should speak up and share our feelings with trusted adults at school and at home.

This week, we consolidated our learning for the **value of service**, and discussed how all our actions make a difference to our school's environment: whether it is putting our plates and trays away after lunch, litter-picking or helping each other during our lessons.

Next half term's value is gratitude; please spend some time during the school break reflecting on the importance of being grateful and showing gratitude with the children in readiness for when children come back to school on Tuesday 27th February.

We would appreciate if you could kindly, complete the Parent Form regarding Pupil Information for Fasting during Ramadan 2024: <https://forms.gle/ygAR8HJBwTMaoWVv7>

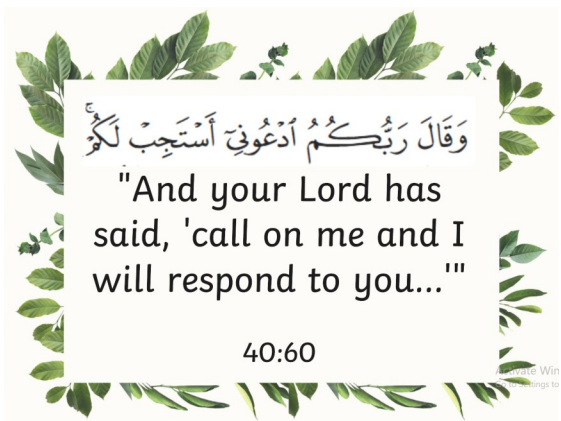

Wishing you a blessed break. If you have any questions, please do not hesitate to speak with me.

Mrs Saad

Message from the Faith Leader

Asalaam Alaikum families of Hujjat Primary,

This year's children's mental health week focussed on the theme 'Your Voice Matters'. It was wonderful to see children engaging in various activities to help them identify their feelings and opinions and express these opinions. Children discussed ways to support their mental health and we thought carefully about who to talk to and reminded ourselves that as well as our trusted adults we can always talk to Allah (SWT) as He has told us in the Quran, chapter 40, verse 60, "And your Lord has said, 'call on me and I will respond to you..."

May Allah (SWT) help us all to take care of our own mental health and support others with their mental health too, remembering to always reach out to Allah (SWT) when we are in distress as Allah (SWT) is the best of listeners and the best of helpers.

Praying you have a blessed half term,

Mrs Jessa

'Pupils of the Week' Achievements

Each week of this half term, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **service**. We are very proud of our pupils demonstrating this value!
