Message from the Acting Headteacher

It has been a very exciting week and children have been working incredibly hard with their learning. During learning walks this week, it was wonderful to see the children in Reception exploring different life cycles; children in Year 1 completed their statutory phonics check. Year 2 have been working hard learning about units of measurement during their mathematics lessons and have continued reading their class chapter book. Next week teachers will be spending time moderating and assessing pupils' work and test results, therefore please note, we are unable to share End of Key Stage results beforehand. This information will be shared with parents along with the End of Year Reports on Friday 14th July.

Our assembly this week focussed on the value of excellence. Together we read the Quranic Verse – 53:39

"...that nothing belongs to man except what he strives for..."

As a school, we discussed that if we aspire to achieve or gain something, we will most often need to work hard and strive for it, and by working hard we learn the value of, and appreciate our and others' achievements. Please spend some time with your children this week also talking about the value of excellence and persevering to achieve the best we can.

In addition to this, please note, information about Parent Trustee Elections has been shared earlier this week. The deadline for applications is Tuesday 27th June to be emailed to info@hujjatschool.org. For any queries regarding this please do not hesitate to speak with me.

Wishing you a blessed weekend,

Mrs Saad

Acting Headteacher

Pupils of the Week

Al-Haqq (RH) **Fatimah Zahra A**

Fatimah has shown our value of excellence this week by demonstrating all the fantastic things she has learnt this year. Fatimah is eager to take on extra tasks and challenges and has consistently been practising her writing during skills time. Fatimah has impressed me with how much she has learnt this year and I am very proud to have seen her flourish in confidence and growth. Well done Fatimah!

An-Noor (RW) **Alireza A M**

Alireza has made fantastic progress this term. His listening skills have really improved, and he has been trying his best in all the areas of learning. He has been trying to participate in different activities around the classroom and loves to share his ideas during carpet time. He has been trying really hard with his letter formation and name writing. Keep up the beautiful models you make with construction. Well done!

Al-Kareem (1A) **Ayaat T**

Ayaat has settled in well to Al Kareem's class! She has started to open up more and come out of her shell! Ayaat has been demonstrating our values of excellence and integrity, as she is always trying her best, participating during carpet time and she is always doing the right thing. It has been lovely to see her math skills progress and improve her confidence in her writing skills.

Al-Hakeem (1AZ) **Yousuf R**

Yousuf is an appreciated member of Al-Hakeem, he helps keep the classroom looking lovely, he assists with reading and his work is always to a perfectionist standard making him a great role model. Yousuf approaches all subjects and challenges with enthusiasm, he shows great resilience and never finishes a task until he completely understands it. Yousuf often leads groups and impresses the other teachers with his skills, mindset and wise words. You are destined to achieve great things as long as you remember there is a difference between listening and hearing. Keep up the spectacular work!

Al-Khaaliq (2S) **Dawud A**

Dawud has settled in really well this term. He is a cheerful and kind member of the class, respectful to his peers as well as adults. He comes to school with a positive learning attitude and is always up for a challenge. I am very proud of his progress and look forward to seeing him continue to flourish!

Al-Wahhaab (2AS) **Adam D**

Adam has tried very hard in all his learning this week and has been working on staying on task, focused and completing his work. He has tried to work more independently on completing his tasks, using resources available to support him and has been proud of his achievements. He has especially enjoyed our learning in Geography on oceans. Well done, Adam, keep up the hard work!

Habib the Hujjat Primary Attendance Bear

Al-Khaaliq 2S

A good try for being the class with the highest attendance this week at 94%

Our target attendance is 96% and above.

Reminder - Class Assemblies

In the summer term, each class will take part in a class assembly. The children will perform their assembly in front of an audience of parents, siblings, and the other year group classes. This is always such a proud moment for parents, and we cannot wait to share these with you in the summer term.

Each class assembly will commence at 9:30 am. Children (and siblings) can arrive a little later to school on the day of their assembly, at 9:05 am. Parking for parents will be available in the MUGA (multi-use games area), but the barriers will not open until 09:05 for safety reasons. Once parked, parents should drop their child/children at their respective classroom doors before making their way to the main entrance to take their seats in the hall, ready for the assembly. Please note that children arriving late on the day of their assembly may not be able to participate, so please ensure you arrive promptly.

Please note: should you wish to park off-site, you may send your child/ children as per the usual school timings.

Filming notification: please trust us when we say you will enjoy the assembly far more when you are not watching through a mobile device, but we do understand that you may wish to film or photograph some of it, but please, no flash photography. Any filming or photography must be for personal use only and should not be posted on any social media channels. We ask that you remain seated throughout, however, if you wish to stand, please stand at the back and please be respectful to others around you, there will also be a brief opportunity for you to take a class photograph at the end of the assembly.

The dates for all class assemblies are listed below:
Al Hakeem – Wednesday 21st June

Thank you to all our parents and carers for being fantastic audiences and making the class assemblies a success this year!

Polite Reminders

We kindly ask parents to please keep an eye on their little ones and avoid letting them play with the EYFS equipment during pick-up time. This will help us ensure the equipment is safe for children to use. Thanks so much for your support in this matter.

As the weather becomes warmer, parents are advised their children wear the appropriate summer uniform so that they are comfortable; please also remind children to bring their refillable water bottles and sun hats to school.

Should your child need to wear sun cream, please apply this from home in the mornings.

Sports Day Update

This year our Sports Day is on Tuesday 18th July in the school MUGA, therefore, there will be no parking on site. There will be a variety of events such as sprints, obstacle, and Hula Hoop races, as well as games like target throwing and bean bag catching.

Children are requested to come wearing a T-shirt in their house colour and PE uniform; the School Office will email parents and carers with this information. If your child does not have a T-shirt in their house colour, they should come wearing their school polo shirt and we will provide them with a coloured sticker. Kindly ensure children have a refillable water bottle and wear hats and sun cream depending on the weather.

Parents are invited to join us, and cheer so please diarise referring to the schedule below:

Reception classes: 9.15am-10.00am

Year 1 classes: 10.15am-11.00am

Year 2 classes: 11.15am-12.15pm

Parents are requested to arrive on time and leave as soon as their child/ children's events have finished, allowing for parents of other year groups to join in.

Please note: photography is only for personal viewing and should not be shared on social media.
