Message from the Acting Headteacher

Asalaam Alaikum

Peace be upon you.

I hope you have had a lovely half-term break!

It has been a busy week and today the children have enjoyed participating in International Day. Thank you to all our parents who made a conscious effort with encouraging children to dress in their cultural attire.

In this week's assembly, we focused on our feelings, showing empathy towards others and gratitude. We also discussed the tragedy of the earthquake disaster in Turkey and Syria and reflected on how grateful we are, as well as how we can be empathic and help others in need.

Our attendance for this week was 90.6%. The national expectation for good school attendance is at least 95%. Whilst we understand the importance of making memorable experiences for our children during pilgrimage, we urge you to book pilgrimages during the school breaks (this information is available on our Attendance Policy on our school website). Please note that pilgrimages are recorded as 'unauthorised absences' for children during term time.

Over the next couple of weeks, members of staff will be carrying out formative assessments with children in Year 2. The school oversees all preparation for these and hence please be assured no further revision is required by parents at home. More information about the Key Stage 1 curriculum and assessments will be shared during the parent workshop on Wednesday 1st March.

Please also note a few changes to dates on the last page of the newsletter. Thank you for your understanding with these revised dates.

Insha'Allah, I hope you all have restful weekend and please do not hesitate to talk to me if you have any queries.

With best wishes,

Mrs Saad

Acting Headteacher

Nouh has consistently been demonstrating our value of Integrity by always choosing to do the right thing.

Nouh has made some strong friendships in the class and continues to welcome new children to join him. Nouh is a good listener and this is shown through topic work, as he recollects previous learning and is able to answer lots of questions, as well as asking them.

Keep up the hard work Nouh.

International Day – Friday 24th February

What an exciting day! Your children may be a little tired this evening as they have travelled 'Around the World' visiting Bangladesh, China, Ireland, Algeria, Morocco and China within their classes, learning about the countries and their cultures. The children learnt more about various countries on a world map and explored exciting facts about different countries.

Children participated in a variety of activities taking place, including traditional arts and crafts, storytelling from other cultures and enjoying an international themed lunch.
