Parents/Guardians: Parents are required to sign their children in and out of class. Please submit a list of people who are approved to pick them up. Parents may need to show identification before picking up your child. Parents may stay in the lounge/office area or in the outside lobby. You may enjoy a complimentary snack from our cafe. Please refrain from going upstairs. You may drop off your child off and leave the vicinity, but you must be back on time to pick them up after class. If they are not picked up within 15 min after their class, a \$25 fee will be due before you leave.

Adult classes/censorship: Sign 2 Connect allow teens under 18 in some of our classes. We also have mixed kids and adult classes. Please be advised that the history of deaf culture taught in the teen/adult classes may include language, or violence. Sign 2 Connect tries to keep the content PG13 but does not have control over what the students may say due to their finding or research upon deaf history and deaf culture. If you are allowing your child or teen to an adult class, please keep in mind that these topics may arise and will be posted on the Sign 2 Connect Facebook page, Sign 2 Connect Facebook Group, Sign 2 Connect Website, Sign 2 Connect at Thinkific. If you do not wish your child or teen to be exposed to these topics, please let the teacher know. We have kids and teens only classes and we will find an age-appropriate class for your child. (example of violence: sign language was banned in deaf school and during that period may teachers and parents resorted to corporal punishment if they tried to used gestures of any kind instead of speaking; examples of inappropriate language: discussing why society have normalized signs in swear words but not the important signs).
