We realize that our success is due to all of the dedicated and loyal Funland employees who have worked over the last 60+ years. We want you to know that when you work with our family you are not just another employee but part of our family. Several generations of Funland family members are actively involved in the daily operation of the park so we get to know our employees on a personal level since we work side by side all summer! Many employers are only interested in how many hours you will work or how many shifts your can cover but we want this to be a well rounded experience where you also make friends, grow and create lasting memories.

Throughout the summer our family offers opportunities to interact with your co-workers outside of work. We offer pizza every week after our employee meetings, multiple games tournaments throughout the summer, a movie night, Skee-ball/ bumper car nights, Employee BBQ, employee breakfast, Employee Appreciation Day, Labor Day Raffle and more. At the end of the summer we hope that you not only worked hard and made great money but that your time at Funland was more than just a job.

# COMPENSATION

## Game Attendant

- **\$14.00 hourly base wage**
- **End of season performance bonus worth up to \$1.00 for every hour worked during the summer in addition to your \$14.00 per hour.**
- **Free rides and complimentary tickets.**
- **Payday is every Friday after 5pm.**

### Summer Earning Examples

Total Hours	250	300	400
Pay Rate	\$14.00	\$14.00	\$14.00
Total Pay	\$3,500	\$4,200	\$5,600
Bonus \$.87	\$251	\$261	\$348
Total Summer Earnings	\$3,751	\$4,461	\$5,948

### BASE WAGE

As a Funland Game Attendant you will be paid **\$14.00 per hour**. Funland is exempt from overtime as a seasonal business but this does not matter because as a 14/15 year old employee you are not allowed to work over 40 hours a week anyway. Most game attendants work 4/5 days a week and 25-35 hours per week.

### \$1.00 END OF SEASON BONUS

Funland also offers an end of season performance based bonus. You can earn up to an additional \$1.00 for every hour worked during the summer. With many game attendants working 250-350 hours during the summer it would be equivalent to approximately one additional paycheck! Your end of season bonus is tied to the Duration of Work Agreement form\*. If you stay for the time you commit to on that form, you are eligible for the bonus. You are then evaluated on your performance to determine your bonus number. Last summer the average bonus was \$.87 out of \$1.00!

\*The end of season bonus program is voluntary and is in no way an employment contract. Funland offers at-will employment only.

Funland has the opportunity to offer you both exceptional pay and consistent hours. You do not need to work at two jobs to get the total hours you are looking for each week.

# HOURS & SHIFTS

## Game Attendant

- You never work before 10am or after 7pm. (June 1st-Labor Day 9pm end time)
- Funland will work with each employee to determine the best number of days/hours to work each week.
- Funland offers two main shifts and you alternate between starting at 10am or 1pm.
- As a 14/15 year old employee, you have specific limitations while working which are listed on the work permit you must complete.
- [Delaware Department of Labor Work Permit Link](#)

As a Funland game attendant we will work with you to determine the proper work life balance. Once we determine how many hours each week you are looking to work we base your schedule on that information. There are two main shifts that game attendants are scheduled. The first shift is 10am-5pm (shift A) and the second is 1pm-7pm (shift B). Each has a half hour break for either lunch or dinner and employees are scheduled a mix of both shifts. Most game attendants take at least two days off each week and if possible we like to set them for the entire summer.

**SHIFT A**  
**10pm-5pm**  
 (30 min lunch break)

**SHIFT B**  
**1pm-7pm**  
 (30 minute dinner break)

### EXAMPLE WORK SCHEDULE

FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
SHIFT A	SHIFT B	SHIFT B	OFF	OFF	SHIFT A	SHIFT B
10-5pm (30 min lunch)	1-7pm (30 min dinner)	1-7pm (30 min dinner)	OFF	OFF	10-5pm (30 min lunch)	1-7pm (30 min lunch)

Using the example work schedule above, someone would work 29.5 hours in a week. It is common for the game attendant position to be filled by someone who has never had a job before. We want all of our employees to enjoy their job, so we take extra care to make your first work experience a positive one. If for some reason you are overwhelmed by the hours, we are willing to work with you. It is sometimes hard to find the right balance at first, so we encourage new employees to say something if needed.

# EXPECTATIONS

- Safety

- Hustle/Speed
- Smiley
- Friendliness
- Hard work
- Team work

As a Funland employee we expect three main things from our employees.

=====

## SAFETY - COURTESY - HUSTLE

Safety is our most important responsibility and is the most important part of your job. Traditionally, this required following all safety protocols listed in the employee handbook and now also includes following all COVID-19 procedures. Our customers come to the park to have fun and smile. Our employees must be happy, helpful and ready to go above and beyond for the children and adults visiting the park. If you like to smile and watch children smile, then Funland is the place for you. We are very busy at Funland, so it is important to be able to work in a fast paced environment. We want to accommodate the needs of as many customers as possible and our employees are the key. If you are ready to work hard, smile, make great friends then you should consider working with our fam

# 2024 CALENDAR

- **Funland opens for the 2024 season on Saturday, May 11th 2024. (Mother's Day weekend)**
- **Funland will only be open weekends until Friday, May 31st, 2024 when the park opens daily.**
- **Funland's last day for the 2024 season will be Sunday, September 8th, 2024.**

There are three weekends of operation before the park opens everyday in early June. We consider the first two weekends training weekends and employees are expected to attend. The third weekend, Memorial Day Weekend is our busiest weekend of the summer and attendance is required. If hired, you will confirm your availability for those weekends on the Pre-Season Planner form\*. This form significantly reduces questions and allows you to inform Funland of your specific availability over those weekends.

Funland asks all employees to indicate time off for the summer on a form called the Duration of Work Agreement\*. On this form you indicate your full time start date (4/5+ days a week of work), vacations, scheduled time off and your planned last day of work for the summer. This form helps Funland plan for the summer and it also ties into your seasonal bonus eligibility.

Before making your decision to work at Funland, be advised that most of your time as well as your best effort will be expected. Funland is very busy each summer and we need as much help as possible from the moment we open until the last day of the season. While Funland will remain as flexible as possible with time off, Funland is a seasonal business and we must keep a full staff to operate the park safely and efficiently throughout the entire season.

\*Completion of the Pre-Season Planner and the Duration of Work Agreement does not constitute an employment agreement. These forms allow us to plan on availability for scheduling only. Employment at Funland is at-will. An at-will employment relationship can be terminated at any time, with or without reason or notice by either the employer or the employee.
