We realize that our success is due to all of the dedicated and loyal Funland employees who have worked over the last 60+ years. We want you to know that when you work with our family you are not just another employee but part of our family. Several generations of Funland family members are actively involved in the daily operation of the park so we get to know our employees on a personal level since we work side by side all summer! Many employers are only interested in how many hours you will work or how many shifts your can cover but we want this to be a well rounded experience where you also make friends, grow and create lasting memories.

Throughout the summer our family offers opportunities to interact with your co-workers outside of work. We offer pizza every week after our employee meetings, multiple games tournaments throughout the summer, a movie night, Skee-ball/ bumper car nights, Employee BBQ, employee breakfast, Employee Appreciation Day, Labor Day Raffle and more. At the end of the summer we hope that you not only worked hard and made great money but that your time at Funland was more than just a job.

HOURS & SHIFTS

Ride Operator & Game Attendant

- J-1 visa employees generally work between 50-55 hours per week on average
- In the early and late season that can go as high as 60 hours per week
- Employees work 6 days a week with one full day off per week
- Funland offers two main shifts and you alternate between starting at 1pm and 5pm
- You never work before 10am or after 11pm
- We understand that each employee is looking for a different number of hours and we can accommodate that by offering more of one shift vs the other and extra work opportunities before the park opens each day.

As a Funland employee, we will work with you to determine the proper work life balance. Our hope is that employees can work five days a week for the majority of the summer, but we also realize that other commitments such as vacations, sports, camps and more require flexibility.

Funland offers two main shifts during the summer which are listed below. Your allocation of weekly shifts will be based on how many hours/ days you are available. During the main part of the summer, Funland opens the games at 10am each day so it is not uncommon to have that shift attached to a B shift.

SHIFT A

1pm-5:30pm - Dinner Break - 6:30pm-11pm

SHIFT B

5pm-11pm

EXAMPLE WORK SCHEDULE

FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
SHIFT A	SHIFT B	SHIFT A	OFF	SHIFT B	SHIFT A	SHIFT B
1-5:30 7-11pm	10am-1pm 5-11pm	1-5:30pm 6:30-11pm	OFF	5-11pm	1-5:30pm 6:30-11pm	10am-1pm 5-11pm

Using the example work schedule above someone would work 37 hours in a week. If interested, Funland has the opportunity for employees to work up to six days a week and 45-55 hours per week on average.

EXPECTATIONS

Ride Operator & Game Attendant

- Safety
- Courtesy
- Hustle/Speed
- Smiley
- Friendliness
- Hard work
- Team work

As a Funland employee we expect three main things from our employees.

=====

SAFETY - COURTESY - HUSTLE

Safety is our most important responsibility and is the most important part of your job. Our customers come to the park to have fun and smile but it is our responsibility to keep them safe while in the park. Our employees must also be happy, helpful and ready to go above and beyond for the children and adults visiting the park. If you like to smile and watch children smile, Funland is the place for you! We are very busy at Funland, so it is important to be able to work in a fast paced environment and an outdoor environment. We want to accommodate the needs of as many customers as possible and our employees are the key. If you are ready to work hard, smile, make great friends then you should consider working with our family.

2024 CALENDAR

- **Funland opens for the 2024 season on Saturday, May 11th 2024. (Mother's Day weekend)**
- **Funland will only be open weekends until Friday, May 31st, 2024 when the park opens daily.**
- **Funland's last day for the 2024 season will be Sunday, September 8th, 2024.**

There are three weekends of operation before the park opens everyday in early June. We consider the first two weekends training weekends and employees are expected to attend. The third weekend, Memorial Day Weekend is our busiest weekend of the summer and attendance is required. If hired, you will confirm your availability for those weekends on the Pre-Season Planner form*. This form significantly reduces questions and allows you to inform Funland of your specific availability over those weekends.

Funland asks all employees to indicate time off for the summer on a form called the Duration of Work Agreement*. On this form you indicate your full time start date (4/5+ days a week of work), vacations, scheduled time off and your planned last day of work for the summer. This form helps Funland plan for the summer and it also ties into your seasonal bonus eligibility.

Before making your decision to work at Funland, be advised that most of your time as well as your best effort will be expected. Funland is very busy each summer and we need as much help as possible from the moment we open until the last day of the season. While Funland will remain as flexible as possible with time off, Funland is a seasonal business and we must keep a full staff to operate the park safely and efficiently throughout the entire season.

*Completion of the Pre-Season Planner and the Duration of Work Agreement does not constitute an employment agreement. These forms allow us to plan on availability for scheduling only. Employment at Funland is at-will. An at-will employment relationship can be terminated at any time, with or without reason or notice by either the employer or the employee.
