NAACP Parents Council

WHO ARE WE?

Formation of the Parents' Council of the National Association for the Advancement of Colored People (NAACP) came about as an outgrowth of ideas put forth during the 1995 and 1996 NAACP Youth Summits. The Parents' Council is one of the vehicles created to empower African American and other minority parents to take a more proactive role in the education of their children. The Council is made up of parents, guardians and grandparents of minority children enrolled in the Montgomery County Public School System (MCPS) and residents who may not have children in school but who **share the goal of equal education for all children**, particularly minority children.

WHAT IS OUR PURPOSE?

The purpose of the Parents' Council is to provide a forum through which interested citizens may offer assistance, guidance and support to African-American parents and students of Montgomery County Public Schools (MCPS) to pursue the highest quality education possible through encouragement, information sharing, positive motivation, critical evaluation and advocacy.
