

## Spring Has Sprung at the Fairgrounds!!

The flowers are blooming! The kids are competing! The bikers are biking! And the shoppers are shopping!! Everything is in full gear for the events we have hosted on the grounds and in the buildings so far this Spring. And we are SO happy to have all the activities!

In addition, Austin County youth competed in Ag competitions at many of the Major Shows and now on the UJL circuit. Not only are they competing, they are excelling! We could not be more #austincountyproud!

Our kids also shine in the classroom and we are super proud to announce the following scholarship winners:

Our corporate sponsorship packages are being revamped and should be out by the end of April. Please consider if there is a way for you and/or your company/family/group of friends to sponsor some of our events for the Fair. By doing so, you help in the profitability of the Fair, which then allows us to grow our scholarship program, maintain & improve our facilities & continue to be the county fair Austin County expects & is known for throughout the fair world.

Thank you for your continued support of the Austin County Fair & we can't wait to See Ya' at the Fair!

Kim Quinney  
Facilities Manager
