President's Message

The summer season of 2016 may prove to be the most exciting summer ever at Smith Mountain Lake. The 50th Anniversary celebrations and all the planned activities in and around the lake will offer residents, their families, and guests, an abundance of activity. Check the Chamber's website for more information. (www.visitsmithmountainlake.com/SML50)

Village East will be taking part in the Cardboard Boat Regatta scheduled for July 29-30, 2016 at the 4-H Educational Conference Center. The future award winning entry is now in the design stage under the watchful eyes of Bob Richards, Geoff Orth, Mark White, Mark Thompson, and Robert Leonard. The boat will be constructed in the Village East Shipyard, formerly known as Bob Richards' garage. This is a community effort and I will keep all the neighbors informed by email as to our construction and testing events. We invite participation (design, construction, and cheering squad).

I would like to take a moment to ask all residents, while enjoying the upcoming summer season, to keep in mind their safety and the safety of their neighbors. Within the neighborhood we have a 25 mile per hour speed limit. This is extremely important as we are a community of walkers, children and adults. Adult supervision is a priority when using the pool. Know the posted rules. They are for your protection. Village East has a leash law. I know that your dog is the best behaved dog ever. So was mine. Not everyone is comfortable with animals, so for the protection of your dog and other residents, always use a leash. In the past, I have received complaints regarding the use of fireworks. I know that our proximity to North Carolina and the vacation atmosphere lends itself to the use of some exciting fireworks. Village East homes are often in close proximity to one another which creates a situation where one neighbor's activities could have an affect the others.

(President's Message Cont.)

Over and above our consideration for one another, it is against the law in Bedford County to use any missile-type fireworks

In the water, when boating, remember we all play on and around our docks. Give us a wide berth. In small coves, reduce your speed. As a swimmer, remember it is difficult for a boater to see you, especially with the sun glare on the water. If you are swimming away from your dock into the open water, have a small boat or kayaker with you. Thank you in advance for your cooperation. We want all residents to have a safe and enjoyable summer.

I would like to invite all Village East members to the upcoming Annual Membership Meeting and Picnic on June 11, 2016, starting at 11:00 am. This is a great opportunity for residents to take an active part of their community and Board actions. We encourage everyone to use this occasion to meet and greet your neighbors. I'm looking forward to meeting all of Village East property owner members.

I have a new email which is:

COMMUNICATIONS COMMITTEE

As a trial, the May 2016 newsletter and voting information is being sent via email and will also be placed on the Village East website.

(www.villageeast.org)

Please let us know which method you prefer by returning the email to vepoacommunications@gmail.com and writing in the subject area either "email" or "website," depending on your preference. Both methods have their advantages and disadvantages but we would like to see which the property owners prefer.

ROADS

I hope this newsletter finds everyone well. I would like to start off by introducing the new addition to our family. Lucas Michael Combs was born on March 4, 2016. We are very excited about his arrival and the last several months have a new adventure for our whole family included Big Sister Layah!

The snow removal went well this year and we did not appear to have many incidents or issues. The snow removal contractor was proactive, responsive, and worked hard. There were not any patching or repairs to be done to the roads this past fall or winter.

We have been working very hard with the other board members on the Indian Ridge Resurfacing/Paving Project. The project has been tentatively scheduled for the end of the summer/beginning of the fall of this year. We worked with multiple contractors to receive pricing for the project budget. We hope to be in a position to provide more information at the Annual meeting in June.

Thanks,
Jordan Combs and Family

GROUNDS COMMITTEE

Ruggieri Lawns was awarded the new mowing contract for Village East, effective the beginning of this year. The single change most residents will notice is that we will be moving from a 10-day to a weekly mowing cycle during the warmer months, which should help keep our neighborhood looking great. Large open fields will continue to be mowed on the old schedule of approximately twice a month.

At a modest cost, new signs have been placed along our roadways and at the two boat lots. Many thanks to Dave White in the effort, especially for his help with reinstalling the real estate box at Boat Lot 1. The signs and sign posts that were replaced were worn and of a variety of designs, while the multiple signs at the boat lots provided outdated and conflicting information. Do notice the new signs encouraging residents to clean up after their dogs.

Many thanks to Mark and Ellen White, Field Jones, Robbie and Carol Hallock, Judy Mackey, Wade Najjum, Carol Suggs, Bob and Mona Richards, and Jim and Patti Gerhart for helping us complete our semi-annual cleanup of Hickory Cove Lane on April 16th. As many hands make light work, we finished up our Adopt-a-Highway cleanup in a mere 45 minutes.

Our Lake Cleanup chief, Bob Richards, has set Tuesday morning, May 24th, as the date for our annual neighborhood cove cleanup. Gene Suggs will again captain his pontoon boat to guide our efforts. Interested members should gather at the boat launch site at the foot of Land Harbor at 8 a.m.

GROUNDS COMMITTEE (CONT.)

The Board wants to remind members of our burn policy, as follows:

No trash or refuse, including leaves, shall be burned in an open incinerator on the lots within the development.

Members needing a parking place for their boat or trailer can add their names to the waiting list by submitting an application to gcorth01@gmail.com. The application form is available at www.villageeast.org.

CONGRATULATIONS TO

THE MICHAELS/COMBS FAMILY (Lauren and Jordan) on the birth of their second child, Lucas Michael, who was born on March 1, 2016. His birth weight was 8 pounds, 9 ounces. Lucas joins his older sister, Layah, 2 ½, in the family. Best wishes to all!

OUR SYMPATHIES GO OUT TO

Ellen and Mark White at the death of Ellen's father, Joseph B. Graham, Sr., who passed into heavenly rest on December 11, 2014. His service was held at his home church, Goshen Presbyterian, in Goshen, VA. He was very active all his life in all kinds of church activities, teaching Sunday School for over 50 years.

Philip Pierce, one of our more recent neighbors in Village East. His wife, Pamela, went home peacefully to her Lord and Savior, Jesus on Sunday, April 3, 2016 after return of a previous cancer. A service and receiving of friends will take place in northern Virginia. (See details of the family under Phillip Pierce in this newsletter from an interview a few weeks prior to Pam's death).

AND LAST BUT NOT LEAST

I'm sure most of you have seen the new home going up on lot 17 as you enter Village East. It's nice to see new construction on our empty lots. It has been interesting and an adventure for most of us living here as the land was prepared, foundation was poured and portions of the home were placed on top.

CONGRATULATIONS

Sarah and James Bartell who were blessed with their third son, Blake Joseph, on January 29, 2015. He joins his two older brothers, Cole, 8 years old and Levi, 4, at their home at 106 Camelot Drive in Village East. Best wishes to this growing family.

Kathy and Geoff Orth who are grandparents again at the birth of a granddaughter, Reagan Marie, who was born February 1, 2015. Her parents are T.J. and Andrea Orth. Reagan joins her 2-year-old sister, Abby in their Newport, Rhode Island home. Best wishes to all of you.

A NOTE OF THANKS

Thank you to the person who cleaned up my upper driveway and the street in front of debris from trees that had broken limbs and leaves from a fallen tree. I was waiting for a warm day to try to clean this up but some kind person did it for me before I could get to it. It is so wonderful to live in such a caring community.

PLEASE KEEP IN PRAYER

Also, keep me in prayer, **(Dot)** as I recover from a fall in my home on March 7th. I ended up at Franklin Memorial Hospital in Rocky Mount for several days, Robbie and Carol Hallock transported me to the hospital and stayed until the wee hours of March 8 (time change Sunday) until I was settled in a room. They also picked me up to take me home several days later. Thank you, Robbie and Carol, for your kind act of love.

Thank you, also, to all my friends and neighbors in Village East for bringing in meals because I was unable to fend for myself. I am back to cooking again, but can't go downstairs for laundry or drive a car as yet. Hopefully, soon.

Special thanks to Donna Keeney and Pat Russ, retired nurses who kept a sharp eye on my wounded knee for infection and any other complications. They are angels of mercy, even though I am under home health care.

When people say Village East is a community of families who care for one another, they are not kidding. God bless all of you.
