

Medication Assistance Program (“MedAssist”)

This program helps those in the Martinsville Henry County Area who do not have prescription insurance coverage in accessing the most advanced in medication therapies. CHW - Bassett and CHW - Ridgeway participate in this program.

- + Generic medications are not available through MedAssist. Most generics usually cost very little and are available at your local pharmacy.
- + MedAssist provides access to newer, name brand medications.

For more information, please ask our staff about the Medication Assistance Program.
