

## Wake Up Washoe County

We have solutions for residents who want better outcomes for their children and their family members.

We are your neighbors. Please join with us. Let's add to the number of safe schools in our county. These schools focus on analytical thinking skills and other academic fundamentals.

Let's have our voices HEARD and RESPECTED at school board, county commissioner, city council meetings and the legislature!

Are you ready to have fun and meet other like minded locals who want to **STAND UP** for the safety of families and quality education in our state?

Get to know us! We would love to hear from you and your friends! You can share your ideas and become part of a team to help your neighbors, your city, your county.

## **FAMILY ADVOCACY SERVICES**

Providing Common Sense Solutions to Empower Washoe County Residents

Wake Up Washoe County

We are county residents that are connecting the community with information to preserve family freedoms and increase the safety of our culture in Washoe County.

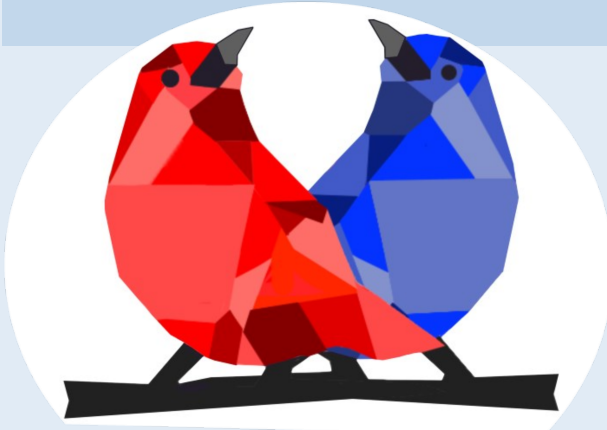

## Wake Up Washoe County

ADVOCACY is taking action to help Washoe County residents reassert their rights and obtain the quality of life they deserve, without apology.

### How does Wake Up Washoe County do that?

1. We assist working parents with SAFER, ACADEMIC alternative schools.
2. We share accurate info with you through our news feed, called Birds Eye View News.
3. We inform you of where to speak your mind at local government meetings. YOU ARE IN CHARGE!
4. We disseminate legislative alerts on bills/policy changes that effect your rights and how your family lives.
