

Ten Commandments of Blockchain Day-trading.

1. Keep $\frac{1}{3}$ of account cash in account at all times or a minimum of \$10,000.
2. Start with Barchart.com (Penny stocks)
3. Everyone is required to close all of their personal brokerage accounts within 30 days.
4. Require 112-200% gain to be captured within 24hrs. Penalty of \$5000 each occurrence unless advised management before hand and gained approval. Exceptions: Silver stocks and or any subsidiaries of TLG.
5. Every employee has to be paid in both silver and US Dollars until one becomes insolvent of the other. Minimum 30% Silver per pay period once Team Lead. Team members will be paid in US Dollars unless otherwise notified.
6.

Business/Team Member	Pay Frequency
60/40 Team members	Bi-weekly
50/50 Team Leaders	Monthly
Executive Team	Quarterly
7. Remote only. Require all team members to have a laptop with a Virus Software that is current and a VPN that is active before trading. Company will reimburse or cover initial fees.
8. We want you input, expertise, your drive, your friends and family to join. We want All Positive People of this Earth to have a Place to live and work in this imprecise and unexpected Phenomena we call life. This is being done by one company through Blockchain Day-Traders.
9. If you do not have integrity, Morals, and Hardworking skills, this is not the place for you.
10. NOT EVERYONE WILL BE HERE AFTER 30 DAYS. Where you going to be at in 30days. Email TheLittrellGroup@gmail.com and Mikeshillin@gmail.com with your answer.
