Civil Design, Inc. (CDI) was established in 1996 with a focused mission; to deliver high quality civil engineering and surveying services and exceed client expectations. With the acquisition of Dunaway Engineering, Inc. in 2015, CDI established a strong regional presence in the Kentucky area and continues to build upon its reputation of collaboration, innovation and quality design. Our core values of **Continuous Learning and Growth, First Time Quality, Mutual Trust and Respect, Ownership, and Responsiveness** have been the foundation of CDI's culture for over 20 years and how we engage with our clients to **Build Stronger Communities**.

CDI is prequalified with the Kentucky Transportation Cabinet providing four basic markets. The following list is a summary of our services in each market.

Roadway Design

Rural and Urban Roadway Design

Conceptual Design	Signing and Striping
Location Studies	Traffic Control
Environmental Documentation	Soundwall & Retaining Walls
Final Design & Estimates	Specifications
Geometry & Alignments	Drainage & Hydraulics
Intersection Improvements	Right-of-Way Corridor Analysis
Road/Railroad Intersections	

Survey

ALTA/ASCM Land Surveys	Construction Layout
Topographic Survey	Watershed Survey
Boundary Surveys	Easement Survey and Exhibits
3D Laser Scanning	Right-of-Way
As-Built Surveying	Geodetic Control Survey
SUE—Subsurface Utility Engineering	Railroad Survey

Pedestrian & Bicycle Facility Planning & Design

Sidewalk Planning	Sidewalk Design
Bicycle & Shared Path Planning	Bicycle & Shared Path Design
Specifications	Construction Drawings
Construction Estimates	Pedestrian & Bicycle Path Master Planning
