

Capability Statement

Somethin Bloomin, LLC was founded in 1991 by Cindy England, and has blossomed into one of Lexington's premier landscape management companies. We take pride in providing the highest quality lawncare and landscape service in Lexington and all of central Kentucky. We are committed to being the best in our field and deliver with excellence. Somethin Bloomin will design, install, and maintain your landscape. We love to hear people say...

"We want to put Somethin Bloomin in our yard"

Core Competencies

- Landscape Design
- Landscape Installation
- Irrigation Systems New Installs
