

# Client Agreement

## My Commitment To You

I commit to prepare myself mentally, spiritually and physically prior to your reading.

I commit to provide a safe space, free of judgment and full of compassion.

I commit to check in with you before, during (if necessary) and after the reading to ensure I stay on track with your desired outcome.

I commit to being honest and open about what I see in the reading and to let you know if something is outside my area of expertise. (For legal, financial, medical or psychological advice, please consult a licensed professional.)

## What I Ask Of You

Before filling out the intake form, please take a quiet moment to think about your situation and what questions you would like more clarity around.

Please be open to sharing and providing feedback throughout the reading so we might co-create a reading that truly resonates with you.

## What To Expect

Once I have read through your request form, I will email you my thoughts regarding your reading. This is to insure I am on the right track before moving forward.

Once we have agreed on a spread that resonates with you and I have collected your payment, I will preform your reading within the next 72 hours.

Once I've completed your reading, I will send you a full report via email describing each card I pulled, it's position, meaning and how it relates to your question, along with a picture of the spread.

If you are unclear on any of the cards I pulled, you may ask for more clarity.

Asking additional questions or to pull additional cards will be considered as a separate reading.

## Payment and Refund Policy

Payment must be received prior to your reading. Please send payment to [paypal.me/SoulAlignedTarot](https://www.paypal.com/paypalme/SoulAlignedTarot).

All sales are final.
