# ABOUT US

---

## Who We Are

Rebuilding Together has been serving Pitt County since 2007 and is an affiliate of the leading national non-profit dedicated to repairing homes, revitalizing communities and rebuilding lives with a vision for safe homes and communities for every person.

## What We Do

- Deliver practical solutions, at no cost to beneficiaries, that allow neighbors and their families to be safer, healthier and more independent in their homes.
- Systematically target 25 critical health and safety priorities in every home we touch.
- Our work preserves critical, affordable housing opportunities and stabilizes and revitalizes neighborhoods.

## Eligibility

- Home must be in Pitt County or Greene County.
- The applicant must own and live in the home.
- The homeowner must be at or below the 50% median income level for the county.
- Priority is given to older adults, people living with disabilities, veterans and multi-generational families.

# YEAR IN REVIEW

After a two year hiatus, Rebuilding Together Pitt County hired a full-time, paid staff person to work with the Board to bring its mission and vision back to life.

We began performing home assessments in May of 2022 and started work on projects that same month. Over the past 12 months, Rebuilding Together Pitt County was able to complete 37 projects in 23 homes in our community. We used a combination of paid contractors and volunteers to complete these repairs.

In May 2022, we signed a lease for a small office space in the Heart for ENC office building, moving into a larger, private space a few months later. Not only has this given RTPC a home, but being a part of Heart for ENC has opened doors to new funding opportunities, networking with other non-profits and providing training to help us to build a stronger non-profit.

And finally, our Board of Directors has grown in these last twelve months. We now have eight Board members, five of which have joined in the last twelve months. They bring a wealth of knowledge and connections. This is an excited team, eager to help the organization succeed so it can provide more assistance to our neighbors in need.

We are so grateful for the support from our community and look forward to building upon this growth!

# HIGHLIGHTS

**Homes**

**Projects**

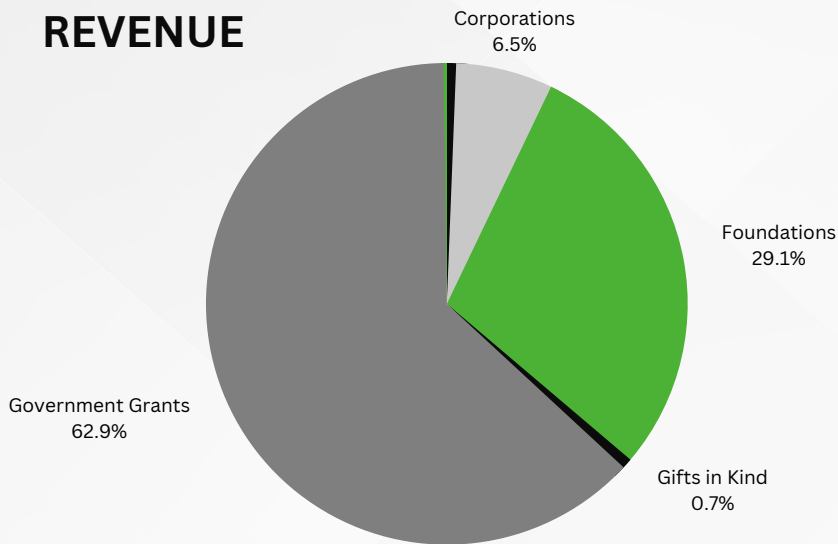

**Residents**

Rebuilding Together Pitt County completed 37 projects in 23 homes beginning from June 2022 to June 2023. These repairs assisted 37 residents with living safer and healthier in their homes. Projects included roof replacements, moisture remediations, replacing doors, flooring, plumbing repairs, deck repairs, railings and bathroom modifications.

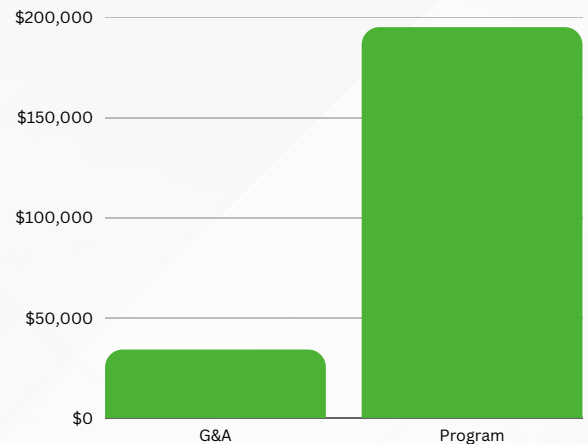

# FINANCIALS

## REVENUE

## EXPENSES

Rebuilding Together Pitt County was extremely fortunate to receive funding early on in its re-opening. Thanks to a few community foundations and a weatherization grant from the NC Department of Environmental Quality, we were able to complete some much-needed repairs.

The general and administrative expenses accounted for less than 15% of the \$243,000 budget, leaving more than 85% for direct program expenses.

# THANKS FOR YOUR CONTINUED SUPPORT!

“  
Never has beating and banging sounded so beautiful to my ears. Thank you, your org. and God for this blessing.  
-Patricia, homeowner”

“  
Words cannot express my gratitude for all Rebuilding Together has done for me. -  
*Jeanna, homeowner*”
