

Thank you for partnering with us as we love the people of Guinea through word and action!

We had an amazing team in Guinea this June! The six of us grew close as we welded benches, ran a VBS for students, hosted a women's event and more. Each member was impacted in their own way, but as a team, we were each so blessed to see God working in the ministry and through us. Follow us on Facebook to learn more about how you can join future trips...

After a long hiatus, work has restarted on our clinic. We met with a government representative over the summer who outlined what we needed to complete before we could get approved. Those structural changes are almost done and we hope to move to the approval process in the near future. If you have not already, sign up to receive updates on our website.

It has been amazing to see the progress on the church building and guesthouse. The walls are done and we hope to start on the roof soon. As this is such a large building, it is quite expensive but we continue to pray for God to provide the funds to complete it as it will be the first church and only church in the area. Check out our YouTube channel for a more detailed video... <https://www.youtube.com/watch?v=bFYRrtL5YUg>

Who wants prayer? They do! And here's how you can pray...

- 1) Pray for our church and clinic projects to be fully funded and completed.
- 2) Pray for wisdom as we explore new ways to meet needs in the village.
- 3) Pray for our teachers as they have been impacted by many challenges personally and corporately this past year.
