

Device Console for 2x4 HD

deercreekaudio.com

The 2x4 HD uses Device Console, miniDSP's easy-to-use interface software. You can download Device Console from the miniDSP website (www.minidsp.com).

1. Sign into your miniDSP account
2. Go to User Downloads and select 2x4 HD
3. Under STEP #1, select the appropriate link for your operating system (see arrow below)
4. The purple download button provides additional folders that may be required.

2x4HD

Plugins, Drivers and Firmware for the miniDSP 2x4HD
