What's New in Arden Oaks

New Residents

(A new feature of the acorn will be to introduce new neighbors to the neighborhood. Although there are many who have move into Arden Oaks in the past year, we have decided to start small. Please let us know through the website "contact us" if you like this feature.)

Jake and Molly Parnell moved into 3920 Winding Creek Road in March. They have 3 children – Jack who is 3 years old and attends St. Michaels Day School, and twins Parker and Ben who are 2 years old. They have most recently moved from Sierra Oaks. Jake is a cattle broker in addition to being an auctioneer. Molly is a political consultant and owner of the Golden State Strategy group.

Glen and Alicia Fowler will be moving into 4000 Random Lane during the month of July if all construction work goes as planned. They have 2 children moving with them. Daughter Mo just graduated from Loyola Chicago, and son Josh just graduated from Rio Americano High School and will attend Cal Poly in San Luis Obispo in the fall. They currently reside close by on Stewart and Valmonte behind Bel Air.

Welcome to the Parnells and Fowlers

We have a new Website!

After several years of using an outside vendor for our Website development and maintenance, and having difficulty keeping the Website up to date due to communication difficulties with that vendor, we have decided to bring the operation in-house. A resident in the Arden Oaks Neighborhood Association has produced a

new Website keeping the functions of the old site and will keep it updated in a timely fashion. When you get a moment, please visit **Ardenoaks.org** and take a look. It is also formatted to be viewed on an iphone or similar smart phone devices.

The “digital” Acorn

A digital copy, in downloadable format, of this edition of the Acorn has been sent to everyone in the neighborhood for whom we have an email on file. We will do this for every subsequent edition. If you did not receive a digital copy and wish to do so, go to **Ardenoaks.org** under “Contact Us” and send us your email address. We will add it to our file. Also, if the digital version is enough, and you do not need the printed copy, please let us know through the website. This will save us time and postage.

Patrol contact numbers

With the next security billing (July thru Dec 2018) we will be including a slip of paper that contains the contact phone number and email address for the off-duty patrol. It will be included in the bill only for those of you who have contributed to the patrol program (as has always been the practice). We strongly encourage you to add this information to you contact files on your phones and/or email systems. Please remember that if you have an urgent issue, call 911. If the patrol deputies are in the area, they will get the call through dispatch.

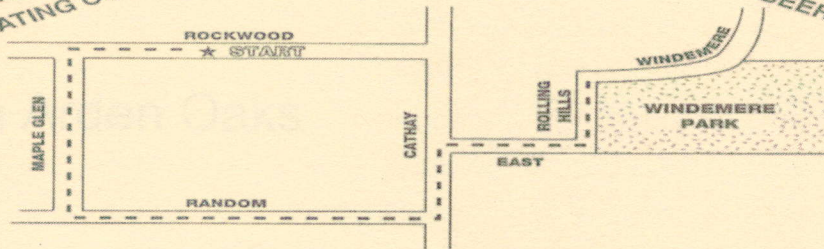

New Neighbors and Meet your Deputies

These two new features of the Acorn will be added to the Website after publication of this issue. Since the Acorn is infrequently published, these items will be updated more timely on the website. If you are a new neighbor in the past year or know of one, please let us know through the “Contact Us” link on **Ardenoak.org**. New neighbors will be interviewed and added to the website as we learn about them and then included in the next edition of the Acorn.

Meet your patrol Deputies

(This will be a new feature for the Acorn. Each issues we will introduce one of our patrol deputies. This issue we are starting with the Deputy that has patrolled Arden Oaks the longest and is responsible for the most "one for the good guys" eblasts.)

Meet Deputy Jim Libonati

After successfully completing the Sheriff's Training Academy, Jim was sworn in June of 1974 as a Reserve Deputy Sheriff & has been continually working for the Sacramento County Sheriff's Department ever since. For the first 20 years of his career, he doubled-up with a patrol deputy nights and on weekends and worked all over the county handling calls for service. He did this on a volunteer basis, as he already had a full time 8-5 non-peace officer job with the State of California.

In 1997, Jim was asked to apply for the On-Call Deputy Sheriff classification, which is a paid classification equivalent to a full-time Deputy Sheriff. He was assigned to the Airport Bureau as an On-Call Deputy Sheriff and has been assigned there ever since as a patrol deputy, working something less than 40 hours a week. He has also worked

in the Boat Patrol, Prisoner Transportation and at Folsom Dam. Jim was then asked if he wanted to consider working off-duty neighborhood patrol assignments, in addition to his airport duties. In 2011, Jim started working off duty patrol jobs, with Arden Oaks being one of the first ones Jim was assigned and has been working it continually since, every Thursday and Saturday .

In 2011, after 38 years of service, Jim retired from the State of California as the Deputy Director for Business Services at the Department of Water Resources. Since then Jim has been working an average of 30 hours a week between the airport and off duty jobs, which provides him the balance in assignments that he likes.

We would like to thank the following residents who have contributed to the Off-duty Sheriff Patrol
