

LION HILLS
Vineyard

A romantic scene of a bride and groom kissing in front of a brick clock tower at night. The tower has a clock face and a lion statue below it. Warm string lights are strung across the scene, and the background is filled with dark foliage and flowers.

We have lists of caterers, coordinators, and DJs for you to choose from. There are some exceptions. Don't hesitate to contact us for more information if you have a vendor in these categories that you'd like to use.

ARE PETS ALLOWED?

Yes! Couples may bring their furry companions for the ceremony and cocktail hour. However, pets must be removed for their safety once the reception starts.

IS THERE A BACKUP WEATHER PLAN?

In the event of rain on your wedding day, we are prepared with umbrellas for you, and your bridal party to get from the clubhouse to the chapel. Both are covered so no need to worry about switching your ceremony or reception site.

DO YOU HAVE A DESIGNATED PARKING AREA?

Yes! We have a paved, well-lit, parking lot for your guests, that can accommodate up to 135 vehicles.

DO YOU HAVE MORE THAN ONE WEDDING A DAY?

Absolutely not! We focus on you and want you to have the most amazing day of your life so there is only one event allowed per day.

WHAT ARE YOUR ALCOHOL POLICIES?

Alcohol is totally fine, and welcomed at Lion Hills as long as the person bartending is licensed and insured. However, if you choose to do a full bar with liquor, then a security officer will be needed during the times that liquor is being served. Don't worry, we will set that up for you, the additional cost is \$50/hr.

ARE THERE DECOR RESTRICTIONS?

Our two major decor restrictions are that flames are not allowed, but flameless candles are welcome. Additionally, Real flower petals are allowed to be thrown during the ceremony, no artificial ones, during the ceremony or grand exit.

ARE THERE SOUND RESTRICTIONS AT THE VENUE?

Music must stop by 11PM in accordance with city ordinances.

IS THE VENUE HANDICAP ACCESSIBLE?

We want to make sure all your guests can experience the magic; the entire venue is certified accessible with the exception of the Dressing Quarters.
