

## **Physician's Assistant or Nurse Practitioner**

**Beginning Salary: \$90-110,000**

**Location:** Bowling Green, KY. Applicant must be willing to relocate.

As a physician assistant or nurse practitioner working with an orthopedic doctor, you will play a vital role in patient care. This includes conducting patient exams, assisting in surgeries, interpreting imaging results and diagnostic tests, and collaborating with orthopedic surgeons to develop treatment plans. Your responsibilities will encompass patient education, pre- and post-operative care, maintaining detailed medical records, and effectively communicating with both medical staff and patients to ensure a seamless patient experience. Candidates must hold one of the following credentials: PA-C, APRN, ARNP, or NP.
