The Five Behaviors of a Cohesive Team® Model

The single most untapped competitive advantage is teamwork.

To gain this advantage, teams must:

▶ Trust One Another

When team members are genuinely transparent and honest with one another, they are able to build vulnerability-based trust.

▶ Engage in Conflict Around Ideas

When there is trust, team members are able to engage in unfiltered, constructive debate of ideas.

▶ Commit to Decisions

When team members are able to offer opinions and debate ideas, they will be more likely to commit to decisions.

▶ Hold One Another Accountable

When everyone is committed to a clear plan of action, they will be more willing to hold one another accountable.

▶ Focus on Achieving Collective Results

The ultimate goal of building greater trust, conflict, commitment, and accountability is one thing: the achievement of results.

From talented INDIVIDUALS to extraordinary TEAMS
