

# GET ON BOARD THE TRAIN TO CESSNOCK

- 28km of existing railway line, upgraded to passenger standard.
- 8 stations, servicing over 50,000 people living within around 2km of the corridor.
- Cessnock to Newcastle by rail in under 1 hour.
- Convenient rail access to Maitland, East Maitland, Newcastle University and Newcastle CBD. Connections to Sydney and further afield.
- Avoid traffic jams on our congested roads.
- A vital connection for a growing community.
- Estimated cost: **\$100M - \$200M. The best value rail project in Australia.**
