Greetings From The CEO

Hello All! Are you a busy school district leader or project director? If so, you feel the pressures of exploding workloads and responsibilities that can zap your energy and consume your time.

At [Success Makers Associates](#), our team of professional grant writers, project evaluators, education and business consultants will do the work that you need to get done. We understand that budgets are tight, and we deliver our professional services in half the time and at half the cost of other consulting companies.
