

Dog Days & Cat Naps Spring Newsletter

Woof & Purr Remarks

Boarding Updates

We are now accepting reservations through the end of the year. Please keep in mind, the holidays do fill up fast. For all holiday reservations, we will require a three night non refundable deposit to hold your spot. A three night minimum is required for all holidays.

What is all the sniff about?

Did you know, we have a doggie door connected to our inside play room? This allows us to keep your pets drier, cleaner, and more engaged. This is so helpful, especially on days the weather is not cooperating or when we are in-between inside/outside group activities.

Bark Talk

Dog: Earlier today I

was really happy..

Cat: Don't care..

Dog: And I was

wagging my tail..

Cat: Not

interested..

Dog: Then I

knocked two mugs

off the coffee

table..

Cat: Tell me more

about the mugs.

Doggie Daycare

If you have not yet confirmed your reservations for the Spring, please do so ASAP. We are currently accepting reservations through Memorial Day. Daycare will be limited May 23rd through the 28th. Please note our facility will be closed May 27th.

Meow News

We are currently taking reservations through the end of the year for cat boarding. We encourage all new clients to tour the facility. We offer a free roaming experience, meaning your cat will not be limited to space in a cage or kennel. All of the cats are kept out of cages/kennels to mimic a homestyle environment.

Feline Facts

1. The record for the longest cat ever is 48.5 inches
2. In 1963 a cat went to space. On October 18th, 1963 a cat nicknamed "Astrocat" was the first cat sent to space.
3. Isaac Newton invented the cat door during his time at the University of Cambridge.

New Client Requirement

All new clients coming into the facility are required to complete a temper assessment for each pet before confirmation of reservations. We have half and full day options available.
