Thank You Teachers, Assistants and Helpers

Without our helping hands, KidzMin wouldn't be possible. A huge thank you goes out to everyone who attends KidzMin. Whether you are a teacher, teaching assistant, helper, parent, student or director - we appreciate all of you! We especially love to see the youth, our next generation of our church family, helping to support and grow this important ministry as they are our future. At any time if your child would like to visit or assist in another classroom, please let us know so we can count their service hours and get it arranged with the teachers. Service hours can and will be acquired for school and other extracurricular activities.

REGISTRATION IS OPEN FOR NEXT SCHOOL YEAR
