

Dexcom CARE offers personalized support service

Our Dexcom CARE team of Certified Diabetes Care and Education Specialists (CDCES) are here to help you get started with your new Dexcom CGM system. We provide live, interactive support as you discover the value of CGM. Register to learn how to use Dexcom CGM. We also offer help with Dexcom CLARITY to view your glucose patterns, trends, and statistics and how to share your Dexcom data with your Health Care Provider.

Virtual Clinic Class Schedule

- **G6 App**
