## Features

### Dexter Axles

Get repairs without losing time or sleep thanks to the nationwide part availability offered by Dexter axles.

### 2 Stake Pockets Per Side

Easily anchor your cargo with our four stake pockets.

### Extruded Plank Flooring

Enhance the appearance, use, safety, and convenience of your trip with our special-engineered proprietary extrusions.

### Anti Rattle Rear Ramp

Hillsboro's unique latching system ensures a tight end gate and eliminates rattling.

### Gusseted Fenders with Vinyl Gravel Guard

Protect your trailer from any road damage.

### Strap Securement

Don't worry about finding the right spot to hook a strap when you have three spots available at the front and locations every 12" along the sides.

### 1,200 lb-Rated Swivel Jack

Quickly move your jack out of the way when not in use with this swivel design.

### Weld-On Fenders

Protect your trailer and tires from debris when loading, unloading, and transporting equipment.

### Safety Cables

Ensure your towing is as simple and stress-free as possible with our safety cables.

### Rear Light Enclosure

Protected rear lights against extreme conditions.
